This last week sure has been a busy one here at DAVIS TRUCK AND TRACTOR. Our boys in the shop have been going home to eat then coming back for another shift.

It's at times like these that we are thankful for our PARTS DEPARTMENT. Sure saves our customers a lot of time having parts for their INTERNATIONALS right here at home.

We hope that the next time you purchase a new truck, pickup or piece of farm equipment you come in and see what we have to offer. Remember, no machine is better than the service available for it.

We are HONESTLY trying to do a good job for you.
