

## GARDEN CLUB HOLDS REGULAR MEETING HERE

Much enthusiasm was evident at the regular meeting of the Azalea Garden Club, held in the VFW hall in Brookings on Thursday, Sept. 9th. The group was called to order by the new president, Mrs. Ruby Harvey when an interesting and important business session was carried through.

The meeting was then turned over to the program chairman who presented, First Mrs. T. F. McKenna, who gave such a very instructive and enjoyable talk on the art of arrangement of flowers, with especial emphasis on making use of materials at hand and to fit one's own personality. Her talk was highlighted by her showing slides of exhibits shown at different garden clubs.

Since it is now time to plant bulbs, the club was treated to an instructive talk on the right method to plant and fertilize the different kinds of bulbs which are a success here, by a real "green thumb" gardener, Mrs. Lois Peterson, who recommended even the "Callos thumb" method. This instruction was followed by an interesting account of the ups and downs or raising begonias by Mrs. Arthur Knox.

An invitation from the Innominata Garden Club of Gold Beach was extended to members and friends of the Azalea group to attend a district meeting there on September 20th. A luncheon is to be served to which notifications should be sent by Sept. 15th. It is hoped we can be well represented at this important meeting of our neighboring clubs.

Mrs. Ethel Twohy, as chairman of the Ways and Means committee displayed samples of cards for those interested.

Hostess for the day were introduced by Mrs. Kerns, when a delicious dessert was served by Mrs. Erskine Miller and Mrs. Jack Collis, assisted by Mrs. Ethel Twohy to nearly forty members and five guests. Pouring at the tea table was Mrs. Clara Kerns and Mrs. Lois Peterson, whose courtesy added dignity to the beautiful table covered with a priceless linen and lace cloth belonging to Mrs. Collis, while the blending of amaryllis, and abelia in a beautiful silver bowl by Mrs. Mill competes the picture.

The next meeting of the garden club will be at the VFW Hall on Oct. 14, to which every one interested in garden club activities is invited.

### Complaints Given On Night Bicycle Riding

Police Chief Bud Cross reports that there have been two complaints on youngsters riding bicycles at night with out lights.

Regulations set up here specify that lights must be on for night riding. The penalty for non-observation of this regulation means that the police department will pickup and hold the bike until called for by parents, Chief Cross said. He also reported that there would be a warning issued the first time, and a fine for the second offense.

#### SLATE PLANT SALE
