VFW Post In Membership Drive

An effort is being made by the local VFW Post for increased membership. There were 109 veterans on the 1954 roster. Al Phillips, post commander, is offering prizes to members bringing in applications or 1955 dues.

Al is enthusiastic over the local post's status, especially in regard to its record of community service, much of which concerns the private welfare of veterans or their kin, and of the post building which is a very definite asset in the area. Membership in the group entails a partnership in the property.

Well attended meetings of the post and ladies Auxiliary are held the 1st, and 3rd., Wednesdays of each month. These meetings begin promptly at 8 and are conducted so those attending can go home early or stay on for social activities.

Anyone who has been hospitalized will know the value of anything to busy one's mind.

Local contributors may contact Mrs. Campbell, at the "House of Shoes," Phillips "Dad & Lad," or any member of the VFW post or Auxiliary.

Congress Passes Liberalized Tax Deductions

Medical expenses in excess of 3 per cent of income (up to certain limits) are now deductible for federal income tax returns. The new law also provides that widows, widowers and divorced persons will be allowed to deduct up to \$600 a year for care of children.

You have "Proof of Payment" When you pay by U.S. National Check

Liberal new income tax deductions recently passed by Congress must be itemized and the taxpayer must be able to prove his deductions.

Now... more than ever... it pays to pay by check! Your check stubs will give you a handy record of the payments you've made which are deductible... your cancelled checks are always proof of payment and will support your deductions.

Both regular checking accounts and low-cost Special Checking Accounts provide the modern, safe and convenient way of paying bills. Open your checking account here at U. S. National today. You'll be glad you did whenever you need records of any expenditures.
