

Del Norte Concert Season To Begin

Pianist Herbert Stessin and violinist James de la Funete will open the 1954-55 season of the Del Norte community concert association on October 25 with the concert to start at 8:15.

The rest of the season's schedule has also been completed and will be as follows: November 20, Stephan Kemalyan, baritone; February 13, Sunday matinee, the De Paur infantry chorus; and March 21, the Mauney brothers, du-pianists.

Membership secretary Mrs. L. E. Bailey has mailed membership cards this week. Although the membership for the coming season is closed, Mrs. Bailey at 857 H streets, will take names of interested residents for the associations waiting list.

TO BUILD ON CHETCO RIVER

Mr. and Mrs. L. Z. Harbin have sold four acres of land on the Chetco River to Mr. and Mrs. Glenn Hurst. The Hursts have built a barn on the property, and will build a house later.

CAROL FALLERT BECOMES BRIDE IN OREGON CITY CEREMONY

Miss Carol Fallert, daughter of Mr. and Mrs. C. L. Fallert, of Harbor, became the bride of John Beckley, of Elkton Oregon on Saturday, Sept. 18 at Christian Church in Oregon City, with Rev. Howard F. Hutchins officiating at the ceremony.

The bride, wearing a white ballerina length gown of net and tulle over satin and lace bodice, finger tip veil of tulle, held by a band of lace and pearl orange blossoms, carried white orchids and bavardia on a white bible

with white streamers. She was given in marriage by her father.

The church was decorated with white baskets of lavender and shaded white gladiolus with white asters.

Miss Joanne Lehman, of Dayton, Ore. was the maid of honor. She wore a taffeta and net Nile green ballerina dress, with a Nile green net ruffled band in her hair. She carried white carnations and pink roses.

Bridesmaids were Miss Barbara Keller of Estacada, Ore. and Miss Ann Beckley of Elkton, Ore. Both bridesmaids wore taffeta and net orchid ballerina length dresses, with Orchid net ruffled bands for their hair. They carried white carnations and talisman roses.

Tom Mason, Yoncalla, Ore. was the best man, while Tom Mitchell, Portland, and Tom Nichols of Forest Grove served as ushers.

Miss Diana Spees of Brookings was the flower girl, while Miss Kathy Donovan of Oregon City, and Miss Elaine Whitfield of Elkton served as candlelighters. The flower girl wore a dress of nylon net over Nile green taffeta. She carried a basket of white carnations and pink roses.

The brides mother wore an ensemble of aqua lace dress, with a gardenia corsage. The bridegrooms mother wore a bluegreen faille dress, and also wore a gardenia corsage.

A reception was held in the church parlor, attractively decorated with a white and pink aster centerpiece.

Mrs. D. J. Donovan, Oregon City and Mrs. Guy Keller of Estacada, aunts of the bride, served the brides cake. Mrs. Tom Mason poured coffee, and Mrs. Harry Whitfield officiated at the punch bowl.

Miss Suzy Beckley and Miss

Judy Spees passed the groom's cake.

The occasion has special significance too, as it marked the 22nd wedding anniversary for Mr. and Mrs. Fallert. They, too, were married by Rev. Hutchins.

Mrs. J. W. Spees of Brookings was in charge of the guest book, while Alice Knox of Forest Grove was in charge of gifts.

The couple went on a short trip before returning to Corvallis to attend school at Oregon State College. Both are students there. The bride wore a light blue dress with navy and white accessories and a white orchid corsage for

her trip. The newlyweds will be at home at Corvallis.

OUTSTANDING STUDENT

A 2c Ronald M. Sund has been picked as the outstanding student in his class recently as USAF Technical School at Kessler Air Base in Mississippi. A letter was received here from Col. Carl C. Hinkle, explaining the honor. Ronald is a system mechanic, and was just recently transferred to James Connally Field in Texas.

telephones
are **NOT**
cheaper

by the dozen!

The telephone industry is perhaps the only major field where it is more expensive to operate a large number of units than it is a smaller quantity. If we had only two subscribers, there would be only one possible connection, and with three there would be only three. But here simple multiplication stops. When we have 100 subscribers, we must provide for 4,950 possible connections and in most of our exchanges the possible connections become astronomical. Modern switchboards and equipment help, of course, but even with them the cost per telephone rises as our facilities grow larger in each exchange.

This is merely one factor we face in maintaining the finest possible telephone service at the lowest possible cost. Our average wage rates have doubled since 1945. Our taxes and operating expenses have increased 7½% just since 1952. Unfortunately, in the telephone business nothing is "cheaper by the dozen."

Reluctantly, we have found it necessary to request modest increases in your telephone rates. Without these increases, it will be impossible to continue our improvement and expansion programs, designed to bring you the finest possible telephone service at the lowest possible rates.
