Fish are Anxious; Jump Into Boat

Between 15 and 18 fish were caught by press time Thursday noon, according to a report from Hewitt's Anchorage, and indications are that fishing will be good this week. In fact, the fish are jumping right out of the river to get in the boats.

Roy Brimm had hooked a 18

pound Chinook, and lost him. The fish then leaped in Brimm's boat, and was claimed by Mr. and Mrs. Bill Rickerd, who were friends along.

Al White, Medford, is leading in this week's Salmon derby, having captured a 32 pounder.
