**SPAGHETTI DINNER
PLANNED, BAZZAR**

Plans for the annual church bazaar which will be sponsored by St. Timothy's Episcopal Guild were completed at the Guild's regular meeting held last Wednesday evening at the home of Mrs. Arthur Knox. One of the highlights of the bazaar, which will be held at the Oddfellows Hall on Friday, November 13th, will be a real Italian Spaghetti Dinner prepared by Vic (Chef-of-the-West) Reynolds.

Other attractions will be booths of all kinds, games for the children, as well as grownups, and a door prize given every hour.

**PLAN TO OCCUPY
NEW SCHOOL
BY SECOND TERM**

Work is progressing nicely on the new high school building with the outlook still good for the building to be finished on schedule.

The contractors were particularly fortunate in finishing the roof before the "fall rains" set in.

Workmen are now busy applying wood to the floor and walls of the various rooms of the building. Plaster is being placed in the restrooms and locker areas.

The "bid call" for furnishing the classrooms is being published in this week's issue of the Pilot.

with the delivery date to be not later than December 3.

It is still the hope of the contractors and the board that the building will be ready for occupancy in time for the second semester.

The Lion's club will hold their annual Hallowe'en party for the school age children again this year. It will be held Sunday evening, Oct. 31, with complete details to be announced in next week's paper.
