Mr. and Mrs. Ted Welds and daughter Jackie were weekend visitors at the home of Mr. and Mrs. George Hannon. Mr. Hannan, who with Carl Willock and Ray Beeser went Elk hunting near Heppner, reports that the hunting trip was a success as they brought home the elk.

Mrs. Frank Waldien and daughter Loretta returned home from Portland Thursday, where Loretta had undergone extensive medical tests. She will be required to remain in bed for about six weeks at the present time. During Mrs. Waldien's absence, Mrs. Henry Payne taught her classes at the Upper Chetco School.

Mrs. Helen Reiling and four children of Grants Pass are spending this week at the home of Mrs. Reilings parents, Mr. and Mrs. Herbert Payne. They accompanied her parents home when they drove to Grants Pass last Sunday.

Mrs. Carl Willock accompanied her daughter Carla, who had been visiting here from Eugene, north, and the two went to Heppner where they spent the week visiting Mrs. Willock's mother.

Bernadine Steele Honored At Shower

Over sixty women attended the bridal shower for Bernadine Steele held at the Grange Hall Monday evening, with Mrs. Bertha Whirry and Mrs. Bertha Beers as hostesses.

The shower was a linen and kitchen shower, and the honoree received a great variety of attractive and useful articles for the new home that she and her future husband, Frank Kelley are building on Pedrioli Drive. As for the date of the wedding, all that Mrs. Steele will say is that they have to get a roof on the house first.

Mrs. Steele, who is one of the most highly regarded women in this area, has taught in the local school for several years. She is a member of the Grange, Rebekahs, VFW Auxiliary, Choral group and Teachers Association. This is the second shower for her, the first being given recently by the Choral Group.

O Lord, who lends me life, lend me a heart replete with thankfulness.
