Soul was said to be a synonymous term for Diety, the author of all bodily well-being, in a Lesson-Sermon entitled "Soul and Body," which will be read in all Christian Science churches on November 21.

The Golden Text from Psalms 73:26, "My flesh and my heart faileth: but God is the strength of my heart, and my portion forever," is amplified by a passage from "Science and Health with

Key to the Scriptures" by Mary Baker Eddy (p. 300), "We cannot deny that Life is self-sustained, and we should never deny the everlasting harmony of Soul, simply because, to the mortal senses is seeming discord.

It is our ignorance of God, the divine Principle, which produces apparent discord, and the right understanding of Him restores harmony.
