

# AZALEA GARDEN CLUB HOLDS REGULAR LUNCHEON MEETING

The regular meeting of the Azalea Garden club was held Thursday, Nov. 11th at the VFW hall, with a desert luncheon at 1:30.

Hostesses were Mrs. W. Wollam as chairman, with Mrs. Lewis Peterson, Mrs. Albert Joy and Mrs. Clara McIndoe as assistants.

The tables were decorated in autumn colors Mrs. B. E. Kerns and Mrs. Emil Edwardson poured.

The business meeting after the luncheon was conducted by Mrs. L. R. Harvey, president. A note from Camp White was read, asking the club for four huge swags to be used for Christmas decorations.

For the Christmas meeting of the club to be held on December 9th it was announced by the committee in charge that the gift exchange is to be tools, plants or bulbs—things that the green thumb gardeners can use. Members are also asked to bring arrangements to decorate the hall.

There will be no judging, but it is hoped that the hall will be in a Christmas spirit.

The hall was decorated with Chrysanthemums and a lovely arrangement for a buffet. The mantle was arranged by Mrs. Mary Fisher, with 26 members and 10 guests present. The club is always glad to welcome guests. Mrs. Marian Chapman was applauded for the clever drawings in this year's year book. They are all in color and appropriate for each month.

After the business meeting, the meeting was turned over to the program chairman, Mrs. J. Jud-

kins, Mrs. Nell McKenzie and Mrs. Helen Rice favored the group with two duets, "Ventian Moon" and "When Day is Done." Mrs. Nancy Pisarek sang two solos, "Songs My Mother Taught Me", and "Danny Boy". Mrs. Melta Myers was accompanist.

Mrs. T. F. McKenna showed slides on shrubbery and flowers of Hawaii taken by Mr. and Mrs. Warren Smith on their recent trip to the beautiful island. Mrs. Smith was unable to attend the meeting but she had written a full description of the flowers and scenes presented, that was read by Mrs. McKenzie.

Mrs. McKenna demonstrated a lovely arrangement of weeds gathered near her home as they do grow so abundantly here in this lovely green country. She also made one on a tray using winter stock in shades of pink and grapes for the interest that looked just right for the Thanksgiving table.

Mrs. L. H. Twohy, the ways and means chairman had a table of Christmas cards and wrappings, and also announced the bridge tournament to be held November 18-19-20.

The Crescent Lodge, No. 45, F. S. A. M., Crescent City, Calif., will dedicate a new temple under the auspices of the Grand Lodge Nov. 22, beginning at 8 p. m. All master Masons are invited to attend.

Mr. and Mrs. Henry Kerr left Monday for a business trip north to Portland and Tacoma, Wash. They will be gone a week.
