## Harbor News

Forrest McMann returned recently from Manville, Wyoming, where he visited for about three weeks. He reports that it was cold and there was lots of snow so he was glad to get back to the coast and home.

Mr. and Mrs. D. F. Masset returned home Thursday from Arcata where they had spent a week at the home of their daughter, Mrs. John Tworek and family. Mrs. Masset, who slipped and broke her leg about three months

ago, is still having difficulty in getting around and is still using crutches.

Mr. and Mrs. H. Z. Smith returned a few weeks ago from French Glen in Eastern Oregon, where they spent the summer. They were among the many enthusiastic steelhead fishermen that are lining the banks of the Chetco every nice day and on some that aren't so nice. You have to be a real die in the wool fisherman to enjoy fishing some of these raw, raw, windy cold days on the river.

Another couple that Harbor claims as part time residents are also here for the fishing and milder coast weather, coming from Lakeview are Mr. and Mrs. Bill Hotchkiss. Some nice catches of steelhead have been reported by all the fishermen.

Mrs. Lewis Peterson spent most of last week in Portland, at the homes of her children. She made the trip to have a check up by a specialist on her eyes, and received the news that a delicate operation on the lenses of her eyes must be performed within the next few months in order to keep from losing her sight.

Charles Schaal has been in the Seaside hospital for the past week and is reported to be doing as well as possible. Mrs. Schaal is spending most of her time in Crescent City where she can visit her husband at the hospital and staying at the home of her son, C. E. Howie.

Mrs. H. J. Weigel is making a several weeks visit in Elkton and Portland. She will be joined at Elkton, by Mr. Weigel for the Christmas holiday and they will return home about the first of the year.

The mail truck will run this Sunday and the Harbor post office will open in the morning from about 8:30 to 9:30, and in the afternoon from 2:30 until the mail is distributed. The mail this year is very heavy and the mail truck running Sunday will help keep it from piling up in Grants Pass.

Mr. and Mrs. William Clement are visiting friends and relatives in San Francisco for a couple of weeks. While there, Mrs. Clement was to have an operation in Oakland by Dr. Christensen for varicose veins.

Mr. and Mrs. D. C. Jagers attended a meeting of the Grange Insurance Group at the Tioga Hotel in Coos Bay on December 6th.

## County Service Officer In Accident

The many friends of Ed Segar, county veterans' service officer, will be pleased to know he came out of his recent experience in far better condition than his car did. Ed says his steering mechanism went wrong, causing him to take an unexpected trip down into a canyon, near Cape Sebastian. He left the remains there and men who know says what they hauled out didn't have much value. Ed had a chance to become a short time guest in the Curry County hospital, and probably no one has a better right, Ed having done more than one person's share in making this hospital available.
