How easy it is for one benevolent to diffuse pleasure around him, and how truly is a kind heart a fountain of gladness, making everything in its vicinity to freshen into smiles.

The best portion of a good man's life is his little, nameless, unremembered acts of kindness and of love.

Only what feeds and fills the sentiment with unworldliness, can give peace and good will towards men.

"Our Eucharist is a spiritual communion with the one God," adherents will be told in a passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy (p. 35).
