**BEGIN PLANS TO RESUME WORK ON NEW SCOUT BUILDING IN BROOKINGS**

Interest is being generated in Park, and was donated with the stipulation that the building be used only for scouting. Dall Sanders is the Scoutmaster here, Henry Kerr is the district representative, and Rod Herman is the treasurer. Others that have worked on the project include Ben Jones, and Art Bollinger, of the Odd Fellows.

The foundation for the 60 by 40 foot structure has been poured, and their is gravel inside ready for a concrete floor. The studs are cut for the complete frame, and the building fund has \$500 in the bank, ready to use. So far all the work has been done on a volunteer basis, both with labor and material.

A committee, under the leadership of Mike Page, is attempting to renew interest in the building. Page requests that if all the organizations would get behind the building and work towards the goal it wouldn't take long to complete.
