LETTER TO EDITOR

DEAR EDITOR:

First, I'd like to offer my congratulations on a new baby at your house and also my sympathy on the middle of the night feedings. But, I have a complaint. You see we have a new baby in the house too. Also have three daughters beside. The big difference is that our new baby, born January 9th is a boy!

Although we felt it should be front page news, knocking out news of Insurance Co.'s, and water Co. and Department Stores etc, there wasn't even one little announcement of this earth shattering event.

Can I help it if I got to the Seaside Hospital there and got the boy?

Well, I'm hoping for you next time.

A happy reader (mother)
Mrs. E. Coslett.

DEAR EDITOR:

We would like to make a suggestion for your paper as follows: Please print weekly and in the same space each time a "Calendar of Events", giving daily activities, meetings and events.

Also please print weather information.

Baptist Youths Give Money To S. Q. S. Plan

The Baptist Youth Fellowship at the Baptist Community church gave \$50 in six Sunday evenings to the S. O. S. (Share Our Surplus) plan for needy countries, where the U. S. government gives \$20 in foodstuffs to each dollar donated.

The young people of the church had their money more than matched, as the people of the church gave \$68 for the same cause upon hearing about the project.

Nothing unworthy of perpetuity should be transmitted to children.

Husband Follows Wife In Death

John L. "Jack" Kinney, well known in the Harbor area, followed his wife in death by just a few months, when he died in Duluth, Minnesota early this month.

Mrs. Millie Kinney passed away at the Multnomah hospital, on November 20, and was buried in the Rose City cemetery in Portland.

Mr. Kinney went to Minnesota to visit relatives and early day friends, and passed away there.

Both were well known to everyone in the Harbor area. They were members of the Chetco Grange, and the IOOF Rebekahs of Brookings.

Presbyterians To Celebrate Church Rite

The Lord's Supper, with all its sacred and inspirational implications will be observed by the congregation of the Brookings Presbyterian Church this Sunday at the 11 a. m. worship service.

This feast was instituted by our Lord the night prior to his crucifixion. The minister, the Rev. Henry M. Ostermeier, assisted by the elders will preside over the observance.

In conjunction with this observance the sacrament of Baptism will be administered and new members will be received into the fellowship of the church.

Following the morning service the annual Congregational Meeting will be held. There will be a potluck dinner in connection with this meeting.

CHRISTIAN SCIENCE

How excellent is thy loving-kindness, O God! therefore the children of men put their trust under the shadow of thy wings' (Psalms 36:7) is the Golden Text for a Lesson-Sermon entitled "Love," which will be read in all Christian Science churches January 30.

Emphasis is placed upon God's universal availability to meet the needs of humanity. Citing a passage from "Science and Health with Key to the Scriptures," by Mary Baker Eddy (p. 12) the First Reader said, "In divine Science, where prayers are mental, it may avail themselves of God as a very present help in trouble."

Love is impartial and universal in its adaptation and bestowals. It is the open front which cries, "Ho, every one that thirsteth come ye to the waters."
