

Change Coast Groups Office To Newport

Offices of the Oregon Coast Association were moved February 1 from Tillamook to Newport and have been set up in the Sunderland building.

The move was made at the instigation of the association's directors at the annual meeting in order to have a more centrally located headquarters, according to Don Houghton, president.

Resignation of Arthur O. Waud, manager for the past 2 years was also announced effective Feb. 1. Waud's real estate holdings and personal affairs in Tillamook made it impractical for him to move with the office, Houghton said.

Verne Ayers, recently named to head the organization's public relations activities will function in Waud's place.

The winter meeting of the association's directors has been set for Feb. 27 at the Paddock at Yachats at which time a complete report on the recent activities of the organization will be discussed. Plans for a concerted drive to materially increase the membership and a stepped up promotional campaign designed to attract additional visitors to the coastal resort areas are well underway, he said.

Norris L. Wellbaum, a Navy veteran and graduate of Texas A & I has been hired to obtain material for the association's 1955 travel guide now being prepared for early release.

HARBOR NEWS

Here the Harbor column is back again. We've heard that some have missed it for the past month. We hope that they did, and weren't just being polite. If you have any news items for the next three weeks, please leave them at the Harbor Post Office, or phone them in to the Pilot office, as it is news of what our neighbors are doing that makes the paper interesting reading.

Bob Lee hated to go into Hanscans the first of the week to check up on how much he owed for all the merchandise credit slips he gave out during his grand opening of the Harbor Richfield station last week-end. The report is that he pumped over 3600 gallons alone. Congratulations, Bob!

Bobby Chapman of Farmington, New Mexico is spending some time here at the home of his brother, Sonny Chapman. He plans to return to New Mexico to work in the uranium mines when they start operating again in the spring.

Carroll Reekman spent the week-end at the home of his mother, Mrs. Milton Foster. Carroll, a local man, has been transferred from the Eugene office to the Public Utilities Commission to a permanent assignment in Medford.

The directors of the Harbor Rural Fire Protection District will hold their regular meetings the first Wednesday evening of each month at the Grange Hall.

Mr. and Mrs. William Dubs moved recently from the old Cooley place near the Winchuck to the George Rush house in Brookings.

W. W. Smith left Monday for Pomona, California where he will visit at the home of his daughter, Mrs. J. M. Estwiler for a few days. He will go to Detroit from there to take delivery of a new Dodge Station wagon.

Mr. and Mrs. Walter Pearmine enjoyed a months visit with relatives and friends in Los Angeles over the holidays, returning home recently.

Mrs. Milton Foster is recuperating satisfactorily at her home following a major operation at Seaside Hospital in January. She will be able to return to her work in the Post Office about March 1st.

Mrs. Jessie Judkins returned home Friday afternoon from a two months trip during which she visited relatives and friends in San Jose, Santa Clara, and other California points.

Mr. and Mrs. Roger Oliver went to Portland recently where Mrs. Oliver underwent surgery on February 1st. While Mr. Oliver may return sooner, Mrs. Oliver

will have to remain in Portland for a short time before she can make the trip home.

Mr. and Mrs. Roy Springer enjoyed a two weeks trip which took them to several California points including Santa Rosa, San Francisco, Daly City, Chico and Redding, visiting relatives and friends. While at Boyes Hot Springs, near Santa Rosa, they were guests at the home of Mr. and Mrs. William Eickoff, former local residents. They helped celebrate Mrs. Eickoff's birthday on the 21st, when a group of her friends there gave her a surprise party.

Mr. and Mrs. A. Hoffeldt were dinner guests at the home of Mr. and Mrs. O. D. Arp Sunday, the event being in honor of Mrs. Hoffeldt's birthday.

Herbert Payne, his daughter, Mrs. Sonny Chapman and her two children drove to Grants Pass on January 29th to visit at the home

of another daughter, Mrs. Gene Reiling, and to help celebrate the fifth birthday of Mrs. Reiling's daughter, Nina. A birthday party was enjoyed by all, with the Harbor visitors returning home the next day.

Reception is Held For Rev. Shideler

The St. Timothy Guild of the Episcopal church held a reception for Father Shideler Sunday evening from 5:30 to 7:30.

A buffet supper was served. The table was beautifully decorated with yellow daffodil, and acacia in a polished brass container. Yellow candles were placed in brass candelabra.

About 50 guests were present, including Rev. Ostermeier, Rev. and Mrs. Sadler, and Rev. and Mrs. Ed McClain.

The children were served in the childrens room downstairs.

- Six better-than-leather finishes—wipe clean with a damp cloth!

Streamlite Samsonite... the Most Popular Luggage in the World... Because it's Strongest and Smartest!

HENDRICKS FURNITURE

Only Car at its Price... So Smart! So Big! So Powerful!

*You can buy a big, powerful Pontiac for less than many models of the lowest-priced cars!

Whatever you want most in a car—beauty, size or performance—you get it in extra measure in a Pontiac. In fact, when you choose Pontiac the decision comes very easily—because Pontiac alone, at its price, gives you everything!

For example, take Pontiac's distinctive smartness. Certainly there is no question on this point. Pontiac is the one car that stands apart from all the others.

If it's size and big-car sure-footedness you want—Pontiac's your car! Pontiac's long wheelbase—124 inches in the Star Chief, shown here, and 122 inches in the 860 and 870 series—is the plus wheelbase that provides the roominess, the comfort, the satisfying road-hugging security that only a big car can supply.

As for performance—once you get behind the wheel you have all the proof you need that Pontiac is way ahead in this department, too. Pontiac's spectacular performance starts with the most modern engine of all—the powerful new Strato-Streak V-8—specifically designed for Pontiac's all-new chassis to give you balanced performance. That means smooth, eager getaway in traffic; power to spare on the open road; and even more of Pontiac's traditional economy, dependability and long life.

All this adds up to a wonderful car and—with Pontiac's remarkably low price tag—a very wonderful buy. Come in soon and talk dollars and cents. If you're in the market for any new car, you'll discover you can easily afford all the pride and pleasure of a big, powerful, luxury-loaded Pontiac.

Go Modern... Go Pontiac **WITH THE SENSATIONAL STRATO-STREAK V-8**
