**CHRISTIAN SCIENCE CHURCH**  
"Christ Jesus" will be the subject of a Lesson-Sermon read in all Christian Science churches February 27, which developed the theme that God's saving love is assured to men in every age. The Golden Text was from I John: "In this was manifested the love of God toward us, because that God sent his only begotten Son into the world, that we might live through him." That the Master's instruction applied not alone to his immediate followers was indicated by the following reference from "Science and Health with Key to the Scriptures" by Mary Baker Eddy (p. 138), "Jesus established in the Christian era the precedent for all Christianity, theology, and healing. Christians are under as direct orders now, as they were then, to be Christlike, to possess the Christ-spirit, to follow the Christ-example, and to heal the sick as well as the sinning."
