RETURN FROM MEXICO

Mr. and Mrs. Warren Smith, and Mr. and Mrs. E. L. Morton returned from a trip to Mexico this week. The Smiths and Morton made a tour of Mexico, which included many of Mexico's popular spots such as Mexico City, Alcupco and others. They report excellent weather in that country.

Frank Burdell was named president of the Brookings Baseball Association - and Brookings is going to have an entry in the league this year. That was the gist of a sparsely attended baseball meeting Friday night.

Despite poor attendance at the meeting, the feeling was that Brookings should have a team this year and it was believed that the townspeople and the merchants would get behind the team.

Already contributions of \$200 were reported in, and more will follow. Pete Lesmeister assumed the business management of the team again this year, and all donations are to be mailed in to him. Joe Murray was named vice-president of the group.

Floyd Swearingen is the retiring president of the association.

Burdell, a ball player, announced some plans for the coming season. He has secured some lumber, and pine, and will attempt to fence in the current field.

Burdell also mentioned the possibility of raising interest in baseball here by promoting a Pee Wee league. He indicated his willingness to help out with such a program. Fielders would be put out to the various service clubs to see of the possibility of securing sponsors.

Lesmeister said that the club need to raise about \$1400 in order to insure staying in the black financially. He reports that plenty of players are available, and that Brookings could field a better team this year than last.

Contributions came in from Hansams' Center \$50; Kerr Hdqrs. \$50; Archie Anderson, \$25; Vic Anderson, \$25; Acacia Laudromat, \$25; and Elmer Bankus, \$25.
