PLAN MOBILGAS
ECONOMY RUN

If each motorist in Curry County increased his gasoline mileage only one mile per gallon a county wide saving of 204,891 gallons would result in a single year, according to Grady H. Younce, distributor for General Petroleum Corporation.

He said techniques for such gasoline savings will be demonstrated by drivers in the 1955 Mobilgas Economy Run which begins March 14.

Twenty-two automobiles, the cream of America's new crop of passenger cars, will compete in the Economy Run over a tortuous 1323-mile course from Los Angeles to the base of Pike's Peak, Colorado Springs, Colorado.

Each of these cars will be seeking the sweepstakes award for the highest ton-miles-per-gallon average on the course, as well as class awards.

Coos-Curry Pioneer Society To Meet

The Coos-Curry Pioneer and Historical Association will meet at the Coquille Hotel on Saturday March 12th. The noon luncheon will be served at 12:00 o'clock. This will be followed by the business meeting at which time Ed Detlefsen, president, will preside.

All members are urged to attend, and friends are cordially invited.

Flowers are God's thoughts of beauty taking form to gladden mortal gaze.

Lovely flowers are the smiles of God's goodness.

436 MOTORIST LOSE LICENSES

Traffic law violations cost 436 Oregon motorists their licenses to drive last month. Secretary of State Earl T. Newbry's office has reported.

Licenses suspension followed court convictions for serious traffic offenses in 333 cases, including drunk driving, hit and run and driving on a previously suspended or revoked license. Conviction on these charges makes suspension mandatory under Oregon law, officials pointed out.

An additional 98 drivers were suspended by discretionary action of the department, 58 of whom were grounded for failure to report accidents. Thirteen drivers with records of repeated accidents or traffic convictions also received suspensions during the month.

U. S. Plywood Buys Land In Curry

The United State Plywood Corporation has completed the purchase of the Associated Plywood Mills, Inc. including timber holdings of approximately 500 million board feet of timber covering approximately 26,000 acres of land, owned by Lloyd Corporation, located in the Gold Beach area.

The timber included in the sale lies on the south side of the Rogue River. Plans were originally made to put in a sawmill and green peeler operation in Gold Beach, with the sawmill to have a daily minimum capacity of 35,000 board feet. However, nothing further on the plans were announced.

THE INSTALLED CHARTER OFFICERS of the Brookings Emblem Club No. 265. Front row, seated left to right: Treasurer, Leta Corner; Financial Secretary, Louise Freeman; Acting Supreme Marshal, Marie Woods; President, Alice Bordwell; Supreme District Deputy, Irma Rober; District Deputy Southern Oregon, Ruby Flora; Vice President, Mabel Ostrander. Standing, left to right: Deputy Secretary, Veda Mattson; 2nd Guard, Vera Whillock; 1st Guard, Flora Mead; Correspondent, Constance Evans; 3-year Trustee, Wanda Phillips; 1 year Trustee, Dorothea Webb; 2 year Trustee, Irene Rucker; Organist, Clara Bowlin; Recording Secretary, Ruby Lowe; Marshall, Pauline Carpenter; Chaplain, Arlene King; 1st Asst. Marshall, Delores Hegnes; 2nd Asst. Marshall, Laila LaBonte.

OREGON COAST PLYWOOD MAY EXPAND SHIFT

Plans were announced for a possible expansion at the new Oregon-Coast Veneer plant, owned by the Heiberg Lumber Co. The firm, under the guidance of general manager Leonard Baxter, will possibly add another shift as soon as logs are available.

Other plans to extend were also told. Baxter said a tray system will probably be installed, and the building will be extended as soon as weather permits.

MOVE TO AREA
Mr. and Mrs. Walter Parker have moved to a home in Brookings. They were up here last year and like it so well they decided to buy a house here and stay. They have moved here from Alhambra, Calif. Mr. Parker is retired.
