WE TAKE PRIDE in announcing the opening of our new, up-to-date pharmacy, which we hope to make a real asset to the community. The store is completely equipped and modern in every detail. Our entire effort is devoted to giving you the best possible service. Experienced, registered pharmacists are in charge of the prescription department, which is well stocked with antibiotics, pharmaceuticals, chemicals, and special products. No matter what your physician may order, we can fill your prescription. For your convenience, we also maintain a large selection of sickroom supplies.

We Hope that you will stop in soon and get acquainted. We are eager to demonstrate our service and shall greatly esteem the privilege of serving you.
