F. A. James Barkley, was home recently from San Diego boot training. He had a 14 day leave, returning to Treasure Island, where he will fly from there to Hawaii, Barbers Point. He attended Brookings High School, and is the son of Mr. and Mrs. J. E. Barkley.

ON THE HILL with the GORPS
 ART Peirce, who works a shift with his wife on alternate Mondays at the post, has been in the Crescent City hospital as the result of a heart attack.
 Mrs. Breta Morgan has company from Alaska. Her daughter-in-law and children are visiting here while the baby is obtaining medical care. It has been necessary for her to give up her shift temporarily, and Byron Brimm is taking it. He deserves a lot of credit according to our supervisor as he has worked six hours on the last two Saturdays. If there are any other teen-agers who would be willing to give up some of their time on Saturdays, they will be very welcome at the Post.

FOUR KITTENS BORN AT STORE
 Last Tuesday, March 22, four kittens were born in Les Dmnick store. To Mr. and Mrs. Tom Cat She has them in a box in the office if you want to see them. The kittens were busy eating when I looked in. Maybe Les will give one away when they get big if you ask him. They sure are awful cute. I bet they can catch mice too.

We are certainly going to miss the Howard Adams, who are moving to Petaluma. They have been very faithful workers, and hard to replace.
 We want to welcome Marie and George Funk to our Volunteers family. They volunteered their services when they returned from their annual selling trip, and we are sure they will be a very fine addition to the Post.
 Mrs. George Shiply, who works to 12 to 4 shift on Wednesday morning, is in Los Angeles visiting her daughter.
 Mrs. Velma Bingman served with Alice Ross last week on the Tuesday evening shift, as Mary Mendenhall was ill with a sore throat.
 Mrs. Selma Campbell will be spending Tuesday in Eureka on business.
 Mrs. Robert Stanhurst, and Mrs. Breta Morgan spent two days of last week in Grants Pass attending a Presbyterian meeting.
 Mrs. Verna Mendenhall's mother of Portland has returned home after spending some time here visiting with her daughter. The fact Holmes have had as their guest for the past week his father from Portland.
 Mrs. Joe Kanick and daughter left today for Washington to attend the funeral of Mrs. Kanick's aunt.
 Mrs. George Titus has put in the most hours at the Post since it started operating. Some of the volunteers are putting in more than one shift a week, which certainly isn't fair to them. We want to urge anyone who possibly can to please sign up, and also to volunteer for the night hours which are the most difficult to fill. Almost anyone could work those shifts once in awhile if they don't have to work the next day somewhere. Let's not leave the burden on the few to serve the hardest shifts.

We wish to thank the Brookings Plywood for use of their half-track in moving the shed back. Also thanks to Mr. Kerbert, and thanks to Ray Arnett for driving the truck.
