TEEN AGERS PLACE IN STATE A.B.C. BOWLING TOURNEY

Word has just been received that Brookings has a team of champions among the teenage bowlers. The American Junior Bowling Congress has sent word that the girls team, representing Kerr Hardware and Electric Co. has tied for the first place in the state in the annual national tournament bowled on March 26.

The team was made up of Sylvia Gates, Melody Brimm, Suzie Stearns, Jackie Smith, and Nancy Cummings.

National results are not as yet available, but 2584 teams competed on a national level.

The girls on the team have a right to feel proud of their accomplishment, as they were competing against teams, in which in many cases had a great deal more experience. Many of the local teenage bowlers can give their seniors some lessons in this sport.

New Score Board Given School By Bread Firm

A letter has just been received by Lynn Hampton, superintendent of schools, from Bert Wood, Advertising Agency of Eureka, that the Master Bread Co. has purchased a new score board with all the controls identical to the one presented to Humboldt State College, to be presented to the Brookings Harbor High School this fall.

The need for this equipment was presented to Master Bread by Bob Dimmick.

The school wishes to thank the Bert Wood Agency, Master Bread and Bob Dimmick. The present score board was also given to the school by Master Bread.

Bowlers Contribute \$75.90 To Drive

The bowlers in all leagues contributed their strike nickels and dimes to the Oregon society for Crippled Children during last week's competition. When these contributions were totaled up they amounted to \$75.90.

It is strongly suspected that many contributed more than nickels and dimes to add up such a large amount. The boys and girls are pretty good, but it is doubtful that they rolled up \$75.00 worth of strikes.

As Glenn Rogers of Azalea Lanes puts it, "If their bowling matched their generosity, they would all be champions."

REPORT TALK AT VFW POST BY EARL MEADE

Veterans stand to lose all or most of their service benefits if they fail affiliation with their local veterans groups. These benefits are home loans, hospitalization, compensation, etc., all of vital interest to veteran's families.

This was the gist of a talk given by Past Oregon VFW Commander, Earl Meade, at last Wednesday evening's local post meeting. Meade citing the current Hoover Commission's report to Congress and other anti-veteran activities in Washington, D. C.
