Among the correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be the following (247:10-12, 13-15): Beauty, as well as truth is eternal; but the beauty of material things passes away fading and fleeting as mortal belief. . . . Immortality, exempt from age or decay, has a glory of its own, the radiance of Soul.

# IT'S ALL BUICK

**-AND ALL YOURS**

for only **\$2627.27**

\* delivered locally!

**YOU** certainly can throw out your sheet and call this strapping big Buick yours.

Because — as any comparison shows — the dollar difference between this brawny beauty and the well-known smaller cars is now virtually erased. So if you've been holding back, thinking a Buick was out of reach — *let yourself go. You can afford a Buick if you can afford any new car* — and the price we show here proves it.

**Buick Sales Are Soaring To New Best-Seller Highs**

That's a major reason for the phenomenal success of Buick today. So much so, that production and sales are hitting new peaks to move Buick more firmly into the tight circle of America's best sellers.

Another companion reason for this soaring popularity is Buick's full line of cars to give you a choice in any price class — the bedrock-priced SPECIAL, the high-powered CENTURY, the extra-roomy Wildcat, and the custom-built ROADMASTER.

But pure and simple, it's all the automobile you get for your money that's winning so many new owners to Buick.

It's the extra pride you feel, the extra room you enjoy, the extra comfort you get, the extra safety you sense — from Buick styling, Buick size, Buick ride-engineering, Buick solidity of structure.

2-door, 4-passenger Buick SPECIAL Sedan, Model 48, illustrated. Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities. Even the factory-installed extras you may want are bargains, such as: Heater & Defroster — \$41.70; Radio & Antenna — \$92.50.

It's the extra lift and snap and ginger you get from Buick high-compression V8 power — and the fun and thrill of bossing such eager might.

As we said — if you can afford any new car, you can afford a Buick — even with the spectacular performance of Variable Pitch Dynaflo™ at modest extra cost.

So why settle for anything less than a Buick? Drop in on us, take the wheel, press that pedal, and see for yourself what a whale of an automobile — and a whale of a buy — today's Buick really is.

† Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

**DID YOU KNOW —**

- that the Buick SPECIAL is priced below any other car of 188 horsepower and 122-inch wheelbase?
- that the Buick SPECIAL is priced below some models of the three well-known smaller cars?
- that the Buick SPECIAL gives you more pounds of automobile than any other car at its low price?
