BROOKINGS WOMAN GOLFER WINS DEL NORTE TOURNAMENT

The Championship match of the Spring Handicap Golf Tournament was played last Thursday at the Del Norte Golf and Country Club by Mrs. Charles Grayshel, Brookings, and Mrs. Bill Speer, Crescent City.

At the end of 18 holes Mrs. Grayshel was one up to win the match and will have her name engraved on the Handicap Trophy which will be displayed permanently at the clubhouse.

Other local golfers participating in this first annual event included Mrs. Norris Kemp, Mrs. Jim Yelton, Mrs. Roy White, Mrs. Bill Muncy and Mrs. R. E. Smith.

Bowling Tournament Standings Changed

This past weekend saw several changes in the standings in the second annual Brookings Handicap Bowling Tournament.

Kerr Hardware and Electric took over first place in the Men's Team Event; Larry Roemich and Gordon Olsen are now in first place in the men's doubles. Roy Towers of Crescent City took over first place in both Singles and All Events.

In the women's division Barbara Pellard and Isabel Darrell gained 4th place in the doubles. Competition resumes this weekend.

Fish Authority Visits Brookings

Harry Winsome Howard nationally known writer on Pacific Salmon was a recent visitor to Brookings. Mr. Howard is traveling to Eureka, California where he will present a series of lectures on sport salmon fishing to several Sport Clubs in the area.

Our visiting celebrity is best known as author of the book "Sport Fishing For Pacific Salmon" in his book, acclaimed by many fish and game experts as an outstanding contribution to a sportsman's library. Mr. Howard gives over 40 years experience fishing salmon along the coast to the reader. Many maps showing the location of Salmon waters are contained in the book. Both local drug stores handle Mr. Howard's book.

Wrestling Match Clears About \$100

The wrestling bouts staged by the local VFW Post in the local gymnasium drew a large and appreciative crowd for which both the veterans and the principals are very grateful. At least \$100 was realized by the veterans, this sum earmarked for buying athletic equipment for the school. Bill Thompson, chairman of the committee, says he believes some more mats should be the start of the projects and is looking into getting some. Continuation of this form of entertainment has been curtailed by

the act of the legislature but Thompson says he desires maybe some good boxing bouts by out of town amateur worth looking into.
