LETTER TO EDITOR

May 12, 1955
Brookings, Oregon

To the Editor, Pilot:

We viewed the art exhibit at the recent Bank opening, and were most pleased to see the display of both local talent and local interest! The instructor should be congratulated as we understand some of his students had had absolutely no previous training. Many of the pictures showed ability, and we thought how pleasant it is, for those of us who love our local scenery, to have our own local artists to paint it. As watercolor is a difficult medium, it will be interesting to see what future classes do in oil.

Hope the Art Association you mentioned in the paper is a success; it could contribute so much to our community life.

Sincerely,
Gallery Hoppers
