

PROJECT FOR AZALEA GARDEN CLUB TO BE LIBRARY GROUNDS

The regular meeting of the Azalea Garden Club was held at the V.F.W. Hall, Thursday, Aug. 11th, with 36 members and 2 guests in attendance. A very delicious dessert luncheon was served by Mrs. Cleo Rogers, Mrs. Enid Hurst, and Mrs. E. E. Hanscam.

The working project of the Garden Club this year will be the landscaping of the grounds of the new community library with many plans being made to raise the money for this project. A community card party is being planned for sometime during the third week in September, with Mrs. Ruth Smith and Mrs. Jeane Collier, in charge. Reservations can be made for a table by calling either one of these two ladies. Mrs. Ruth Smith's telephone number is 3527, and Mrs. Jeane Collier phone number is 3421. Also Mrs.

Jeane Collier is taking orders for personalized Christmas cards and stationary for the club.

Plans are being made for a flower show to be held September 23rd, at the Grange Hall in Harbor, this too is to be in form of a benefit affair for the landscaping project. This fall flower show is to be a medium of horticulture and arrangement education and an inspiration to our community. To show all the beautiful flowers that we raise in this lovely community of ours at the harvest time of the year will be something nice for our garden club members and will be an enjoyment for them. "Autumn Treasures" will be the theme of the show, with Marian Chapman, flower show chairman, and with Martha Grayshel, Junior flower show chairman.

A very interesting and educational "Don't be a Litterbug" display was exhibited at the meeting then taken on up to the Curry County Fair to compete with the other Garden Clubs of the County. This very beautiful display was built and designed by Marian Chapman. The litterbug campaign is a National project and is carried on by the garden clubs all over the United States, Azalea Garden Club was pleased to be the blue ribbon winner in this contest at the County Fair.

Other local garden club members who won awards for horticulture and arrangements at the Curry County Fair were: In horticulture Mrs. C. "Ed" Dempsey, won 4 blue ribbons on her dahlias, 1 blue ribbon on baby roses, 1 blue ribbon on a very different house plant, 1 red ribbon on a succulent, 1 red ribbon on pansies, and a white ribbon on volias; Mrs. Henry Wirrkula, won 1 red ribbon on dahlias, 1 red ribbon on godettias; Mrs. T. F. McKenna won 1 red ribbon on her mantel arrangement, her only entry. Mrs. Charles Grayshel won 1 blue ribbon on an arrangement in a myrtlewood container, 1 red ribbon on an antique container, and 1 white ribbon for an arrangement in a basket. Mrs. C. L. Fallert won 1 white ribbon on an arrangement for a mantel. Larry Fallert won 1 white ribbon in the Junior Division under "Small Fry" 5 to 12 years. Mrs. Ethel Andraieff, Superintendent of the Floral Section at the County Fair expressed her gratitude to the people of this area who helped to make it a bigger and better fair by their entries. Under Hobby crafts and Collections with our local Ray Pisarek in charge, Marian Chapman won a blue ribbon with a painting, and Otis Chapman won a red ribbon with his mineral and agate collection.

Garden Show To Be Feature At State Fair

Garden and flower enthusiasts will have to attend the 1955 State Fair four times if they want to see all of the floral exhibits, according to Mrs. Jack Bartlett, floral superintendent.

The State Fair, scheduled for Saturday, Sept. 3 through Sept. 10 at Salem, will feature changing exhibits throughout the eight days with judging scheduled on four days.

The grove of oak trees near the main entrance to the State Fairgrounds will again provide the backdrop for the garden and flower show.

The Gay Nineties which the 1955 State Fair has adopted will be stressed heavily in the garden and flower show. Amateur arrangements will feature such turn-of-the-century themes as "tin-types" and "barber shop quarters."

The amateur arrangements will be judged on opening Saturday, Labor Day and Thursday of State Fair week. Five classifications are scheduled on each of the three days.

The professional, landscaped gardens which are considered a highlight of last year's State Fair will be repeated. Mrs. Bartlett reported that one of these, too, will have a Gay Nineties theme. To avoid repetition, each of the

BUILD NEW GARAGE
 A new, contrasting garage, 24 by 32 feet, is being built on the U.S. Forest Service property here. The work is being done by H. W. Sullivan of Rogue River, who also built the larger headquarters. The building will have the same outside finish of shakes, and be painted dark red. This is another step toward the contemplated making of a show spot, typical of such installations.
