### Mining Operation Started By Allsup

Darrell Allsup, a former Brookings man, went into the Uranium business in a pretty big way. His company has leased over 5,000 acres with 70 Uranium claims in Wyoming.

The company is organized to sell 6,000,000 shares of stock, to be handled by a Denver house. Darrell is one of the directors of the company, and his brother Wilbur is president.

The firm is located at Mannsville, Wyoming, in some of the hottest uranium land in the country. Darrell worked for Elmer Bankus before moving to Wyoming.

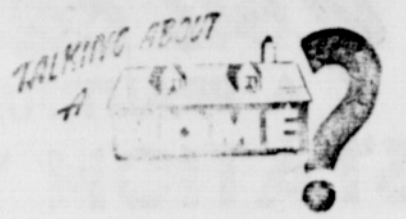

Two newcomers, both born on the 4th, are reported by Dr. Roniger to have joined us; a son to Mr. and Mrs. John Martin and a daughter to the F. A. Dishmans.

#### WIN PRIZES
