APPLE SQUEEZE HELD IN AREA

An apple squeeze was enjoyed at the Chetco River home of Mrs. Erma Rice, Sunday. About 25 gallons of juice was harvested, mostly from fruit, but some of it may be tinted with assorted winged and crawling denizens though Roy Weideman couldn't pause long enough to snatch them from an untimely end. After all those things that go with the process there was an abundance of food and a mighty pleasant evening enjoyed by all who could stay.

Those attending were Mrs. Rose Pool, Mrs. Ruth Bathiany, Mrs. Myrtle Schaal, Mr. and Mrs. Roy Weideman, Mr. and Mrs. J. E. Saueressig, of Salem, parents of Mrs. Glen Rogers, who, with Glen were there, too, Jack McCarton, Jr. and Mrs. M. S. Brainard, Ben Jones and the hostess.

Dee Scobey had his sister, Mrs. Veva (William) Martin, and her husband, visiting this past week from their home in Compton, California. They brought up and hung a television set for Dee but didn't get the bugs adjusted before they had to leave.

The many relatives of Darrell Wherry report Darrell took a spill up at school, and broke his right arm, just below the shoulder. Darrell can't resume his education until that arm is able to do its part.

"Bart, the Butch" was around town again, last week end, feeling much better and sidestepping an operation, at least for the time being.

Letter to the Editor

September 19, 1955

Ray Pisarek, Joe Murphy, Editors
Brookings-Harbor Pilot,
Brookings, Oregon
Gentlemen:

You are to be congratulated on your very splendid editorial in last week's Pilot!

I most heartedly concur with your thought that all City business and negotiations should be conducted at open meetings. I, or my representative at Council meetings, have never been asked to attend any closed meetings, nor would I agree to private meetings at any time in the future.

However, I can readily understand how any one of the councilmen might have thoughtlessly suggested a private meeting due to the many interruptions they have to endure. It has been very obvious that the five members on the Council often have difficulty conducting their meetings on the City affairs due to others monopolizing so much time. Nevertheless, I do not believe that "closed" meetings is the solution to this trouble.

I sincerely believe that your editorial will clear the air on a situation that many citizens have abhorred for a long time. Our present City Council is only doing what the City Council in past years has done, but I sincerely believe in the integrity and honesty of the five men who are guiding our City government and am sure they will see the error of their ways.

Very truly yours,
ELMER BANKUS

FORDS TO BE ON DISPLAY SEPTEMBER 23rd

Safety features for the first time by an automobile company, power equal to the Thunderbird, and lower body silhouettes are available in 1956 Ford cars which 6,800 Ford dealers place on display Friday, September 23rd.

The new Fords will be built in our series offering 18 body styles — two more than in 1955. They are available in 13 solid exterior colors, or 21 two-tone combinations.

A "Thunderbird Y-8" engine leads the power selections available for 1956. It is installed on Fairlane and Station Wagon models and develops 202 horsepower for Fordomatic or 200 horsepower for overdrive or standard transmission. Custom and Mainline Fords offer a Y-3 engine developing 176 hp for Fordomatic, or 173 hp for overdrive or conventional drive. Also the economical Ford six, increased to 137 hp, is available on all models with all transmission types.

Ford safety research, coupled with studies of medical groups, led to development of a "lifeguard design" in 1956 models.

New door latches give added protection against the chance that doors may open under impact. They have been proved in full scale crash tests at Dearborn, Michigan.

To keep the driver's chest from hitting the steering column in a crash, the new three-spoke Ford steering wheel has its center hub recessed 3-1/8 inches below the wheel rim.

Bridal Shower Held For Mrs. Kelly

A bridal shower honoring Mrs. Glen Kelly (nee, Anna Jean Gardner) was held at the home of Mrs. Bernice Stanhurst last week, with the bride's grandmother, Mrs. Charles Stanhurst, as co-hostess. "Anna Jean" was delightfully showered with many useful and beautiful gifts, all accompanied by the very best wishes of her many friends. Those attending were the Misses Carol Rausch, Joyce Raymond, Carolyn Putnam, Judy Stoneman, and Mary Gail Smith, who were joined by Mesdames Mary English, Thyllis Baumgardner, Sam Dawson, Margaret Lee, Pauline Tygart, Helen Smith, Jean Boardman, Laura Gardner, Marie Hempel, Hulda Gardner, Bertha Crosby, Beas Miller, Jessie Berg, Ellen Jagers, Violet Gletta, Beryl Bollinger,

MRS. BLUNT OPENS BARGAIN CORNER

Mrs. Fred Blunt bought the Thrift Shop fixtures from Martha Grayshel and is now operating a shop under the name of Blunt's Bargain Corner.

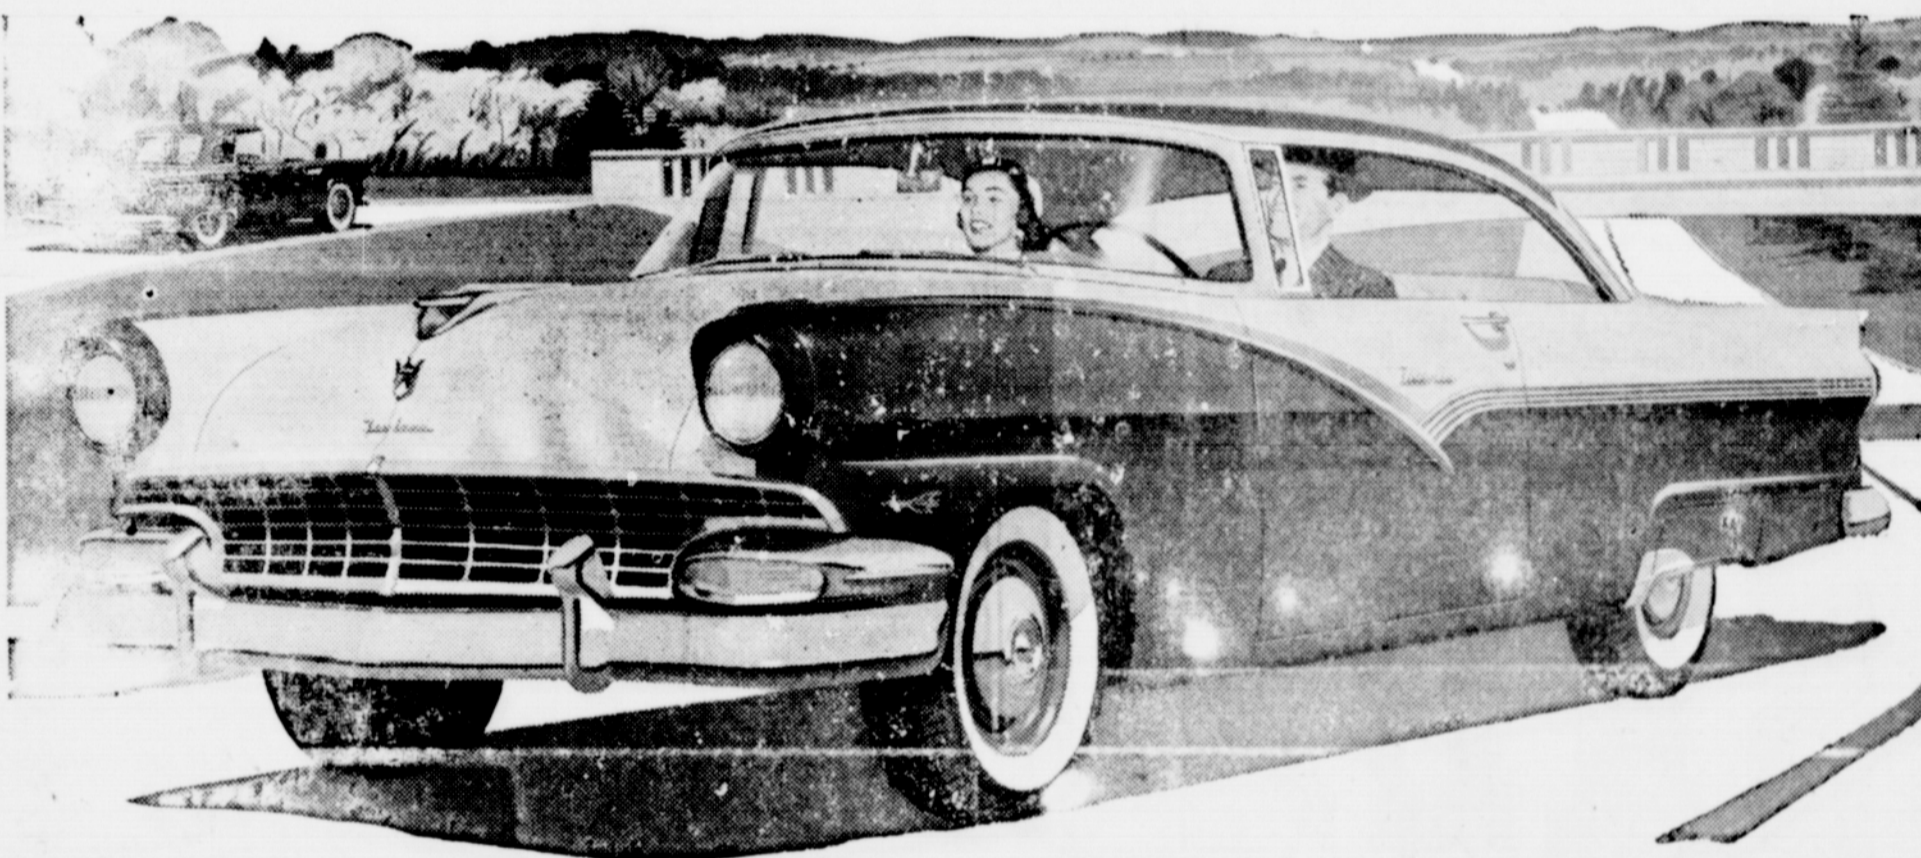

Mrs. Blunt bought many items of clothing from out of town and plans to buy only furniture from local people. The Bargain Corner is now open for business at the corner of Wharf and Spruce St.

Marion Rogers, Marie Oar, and Cleo Craig.

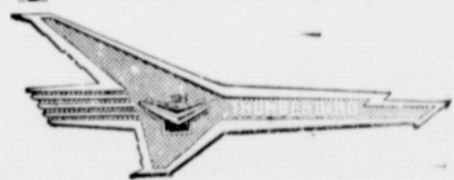

Those unable to attend but sent gifts were Mesdames Mildred Raymond, Margery Moore, Lily Myers, Kathryn Foster, Erma Fritz, Doris Knott, Nettie Walker, Rita Gardner, Marie Hempel, Hulda Gardner, Bertha Crosby, Beas Miller, Jessie Berg, Ellen Jagers, Violet Gletta, Beryl Bollinger,

Here Friday! NEW '56 FORD!

The fine car at half the fine car price!

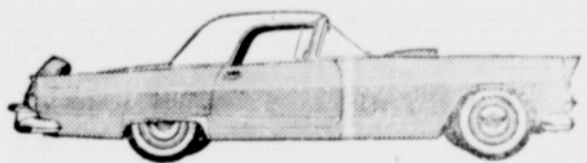

With new 202 h.p. Thunderbird Y-8

New 202-h.p. Thunderbird Y-8 engine is available in Fordomatic Fairlanes and Station Wagons. In Fordomatic Customlines and Mainlines you can have the 176-h.p. Y-8. And Ford's new 137-h.p. Six is available in all 18 models.

...with new Thunderbird styling

The new '56 Ford looks like the Thunderbird! You'll find the same graceful lines... the same long, low silhouette... the same dashing appearance... styling which helped the fabulous Ford Thunderbird to win America's heart.

...with new Lifeguard Design

Ford's new Lifeguard features are: a new deep-center design steering wheel, to act as a cushion in event of accident... double-grip door locks to reduce chance of doors opening under shock... optional padding for control panel and sun visors to help lessen injuries... optional seat belts to help keep occupants in seats.

For '56, Ford brings you the greatest safety news in a generation... Lifeguard Design. In cooperation with universities, medical associations and safety experts, Ford learned the cause of most serious injuries in accidents. To provide extra protection against these hazards Ford developed the new Lifeguard features described at right.

But there is still more wonderful news! Ford brings you Thunderbird power in a modern/deep-block Y-8... Thunderbird beauty too... rich new interiors... quality throughout.

See it... try it... you'll agree the '56 Ford is the fine car at half the fine car price.

Come in... See the
new '56 FORD
