## High School NEWS

Mr. Erskine Miller entertained the International Relations League in his home, Monday, October 17th. He told the students of his world correspondence and Mrs. Miller served refreshments.

Yell leader and song tryouts will be held Wednesday, October 26th.

Denny Graham, Kay Nichols, Marlene Olson, Joan Kuhnenn and Joyce Washburn are taking preliminary tests for a Merit Scholarship Award at 1 o'clock Tuesday, in the library of the High School.

The senior class had a buffet dinner and informal dance Friday night, at the High School. Mrs. Dale Nichols supervised several of the senior girls in the preparation of the fried chicken dinner.

The student body is sponsoring a Twirp Dinner and Dance on Saturday, the 29th. It will cost the girl and her date \$2 to get in. JoAnn Darger, Sylvia Gates and Phyllis Cole are in charge of the semi-formal gathering.

Mr. and Mrs. Walter Reeser of Albany spent the past week visiting Mr. and Mrs. Elmer Erb. They enjoyed fishing and had very good luck. While here they attended a family dinner held at the new home of Mr. and Mrs. Kenneth Erb. It was on Sunday and Mr. and Mrs. Erb and Dick, Mr. and Mrs. Royce Widmer and family were also present.

Mr. and Mrs. Veri Cox and two daughters, formerly of Albany, are new residents of Brookings. Mr. Cox is employed at Brookings Plywood.

Mr. and Mrs. Sam Erb had as visitors this week Mrs. Erb's parents, Mr. and Mrs. Carl Soderholm and family of Eureka.

Lloyd (Slick) Moore, for many years resident north of Brookings and, later, a long-time employee of the California State Highways, is in a San Francisco hospital where he is a heart patient. His wife, Sylvia, went south with him.

Do not delay the sending of Christmas parcels overseas beyond November 15th, nor airmail parcels overseas after December 1st, is a warning issued by the postoffice department, according to Bill Thompson, local postmaster. Thompson also says certain overseas post offices require customs declaration slips and that there are varying limits as to size and weight of packages that can be surface or air mailed so it is best to check at the post office before the parcels are made ready for mailing.

Mr. and Mrs. Milton Potocnik have moved into the Erskine Miller duplex.

### LIONS AUXILIARY INITIATES MEMBERS

The Lions Club Auxiliary held its regular monthly meeting Monday evening, October 24th, at the home of Mrs. Ralph Reed.

A short business session was held early in the evening at which it was decided to have the auxiliary's meeting dates place on the High School Calendar, and to cooperate with the P.T.A. in its project to provide dry clothing for school children by assembling clothes from its members for that purpose. It was also decided to send a box of toys to the Oregon State School For The Blind at Salem.

Mrs. Gordon Olson conducted a beautiful candle-light service initiating the following into membership: Mrs. Joe Sayre, Mrs. Johnny Brown, and Mrs. Dan Styers. At the conclusion of the ceremony they were given lighted tapers and corsages of tiny golden chrysanthemums edged with lavender fluting and tied with purple ribbon.

The balance of the evening was spent socially in group singing and Halloween games and stunts in a setting of cornstalks, black cats and pumpkins.

The next meeting will be held November 28th, at the home of Mrs. LeRoy Pollard on Benham Lane in Harbor. The members will be shown how to make Christmas corsages at that time.

At a late hour, delicious refreshments of pumpkin pie with whipped cream and coffee was served by the hostess, Mrs. Reed.

## To the man who's thinking about buying a new truck:

maybe you're missing something.

➤ And what you're missing is more than "maybe," it's for sure—if you haven't yet visited your Dodge truck dealer.

➤ Do you want to miss a rock-bottom price? Perhaps you haven't realized that Dodge trucks actually cost less than you'd pay for corresponding models of most other makes.

➤ Do you want to miss power so high it leads the field? Consider this: with engines of 169 to 175 horsepower, Dodge overpowers every other leading make of truck in the low- and medium-tonnage fields.

➤ Surely you don't want to miss the dependability, the over-the-years economy for which Dodge is so well known.

➤ You don't want to miss Dodge safety—which includes the biggest wrap-around windshield of any truck on the road, the shortest turning radius. Or Dodge superior cab comfort . . . Forward Look styling.

➤ In short, you can get a whale of a lot more truck for a good deal less money than you think! Stop in and see your Dodge truck dealer right away—don't miss anything!
