

PLAN PROGRESS OF V.F.W. PARTY

Plans for the Annual Armistice Party, the evening of November 12th, at the VFW Hall, are going on nicely, according to Mrs. Clara

Bowlin, president of the Ladies Auxiliary and Frank Kelley, post commander. Invitations will be mailed within the week. All who are not now members of the group should have their membership applications in before the next meeting, November 2nd, to be voted upon, if they want to be sure of attending the party. In years past, this has been an annual gathering of all local veterans and their families but there are so many in the area now that it was decided by the sponsors that attendance must be curtailed.

With nearly 200 on the post and auxiliary membership rolls alone, it is probable the hall will be filled to capacity with members families, only. A few invitations to non-members will be available from post or auxiliary members.

Al Rose, who was commander of the Coast Guard detachment here during the war, is having his hands full with floods. Al is a ranger at Mt. Rainier National Park where the Nisqually River went on a rampage, because of exceptionally heavy rains, sluiced out two large bridges, and some 100 families had to be evacuated.
