TB SEALS

Those little TB Seals we all buy and use at this time, Every Year, have cheated Death out of long-suffering victims unnumbered times. Why, just this past week, because of them, you and I have brought comfort to another of an elderly neighbor who would have otherwise been confined to three making up the group her bed. That is just one of the many, many, unadvertised blessings these little stickers bring over into our lives every minute of the day and every day of the year and the least we can do to be sure these blessings are honored when we NEED them, buy more than your quota of seals and Put In MORE than your quota in the receiving stations about town. — BUY CHRISTMAS SEALS !!

MRS. CROSBY SHOPPING

Wednesday morning Mrs. Lily Crosby walked downtown to do some Christmas shopping and said she'd walk home again if her son Charlie Echols doesn't catch her and take her home in his rig. Mrs. Crosby, one of our older residents, doesn't get down town very often and is expecting to encounter a lot of changes.

A daughter was born to Mr. and Mrs. Doyle Duncan, Monday, with Dr. Gibson assisting.

Yes, you actually get
The Thunderbird Y-8 engine in the '56 Ford

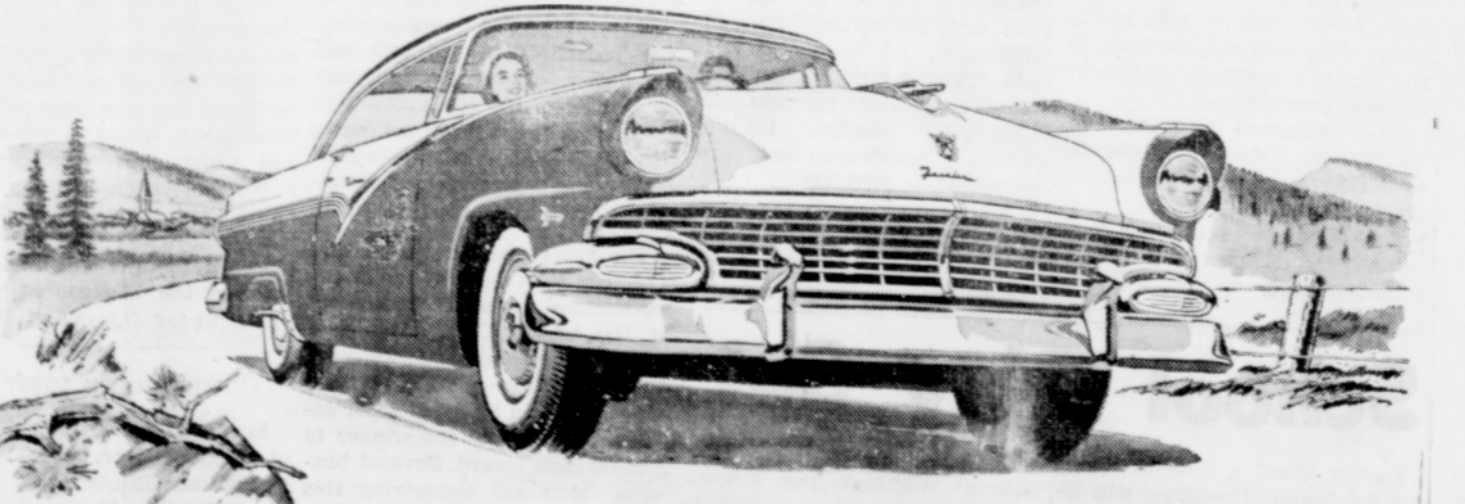

And this Thunderbird Y-8 is the standard eight in all Ford Fairlane and Station Wagon models, at no extra cost!

Now you can have the power you've always dreamed about... and in a family-size Ford! When you order an eight-cylinder Ford Fairlane or Station Wagon model you get the big Thunderbird Y-8—the very same engine that made Ford's Thunderbird famous.

Thunderbird Y-8 power makes uphill feel like downhill... distances disappear. You can pass in instants when instants count. And when you want swift, sure take-off power you get it... and now!

You get a 4-barrel carburetor and dual exhausts. As in all Ford engines for '56 you get a 12-volt ignition system for fast all-weather starts... low-friction, high-compression design for more miles from less gas. And, above all, the new Thunderbird eight is a Y-8 engine with deep-block build for quieter, smoother performance... longer engine life.

In addition to Thunderbird lightning, Ford offers you the Thunderbird look! You can see it's a blood brother of the fabulous Thunderbird! What's more, you get Ford's exclusive Lifeguard Design. Come in and Test Drive the fine car at half the fine-car price.

Try the Thunderbird Y-8 in the fine car at half the fine-car price!
