BIZARD Store in Klamath is shown, above, left. The store was swung back from the street by flood waters. Right photo shows a view looking right through the Klamath Garage, when flood cleaned it out, front wall to back. Guardsman walks in foreground to prevent looters from pillaging. Looting was a problem for the authorities.

### Christmas Program Given Last Week

The Christmas show a week ago Tuesday night went over well, despite poor attendance because of the bad weather. A very pleasant program was given by the 125 high school students that participated.

The program was a varied one with the high school band, boys chorus, girls chorus, combined chorus, girls trio and brass ensemble, all under the direction of Mr. Clarence Dial.

The group will begin working on their spring concert immediately following their return to school.
