

CHURCH NEWS

We are sorry, but all of the church notices were not brought in this week, and consequently we can't run them. Beginning the first of the year we made some changes in our plan and all the notices must be re-set on a different measure, and so it requires a complete change of copy. Those who wish their notices run please let us know before Tuesday night of next week.

Thank You,
THE PILOT

CAMERA CLUB HAS A COLOR LECTURE

The Chetco Camera Club had an interesting Slide show and Lecture on "How To Shoot Better Color" last Friday at the V.F.W. Hall.

There were quite a number in attendance even though it was a stormy night. The power failure a short time before the meeting was almost a catastrophe inasmuch as the slides had to be returned to New York the following morning.

Les Woodruff, of Harbor, had all of his slides along and were very interesting, showing results of his well earned efforts in propagation of new species of Flowers.

At the next slide show we will try to have more local slides for

The car says GO and the price won't stop you!

*Invest in Dependability...
get a Bonus in Go!*

You can buy it on its name alone—this big, high-powered '56 Pontiac—and be safe in the knowledge that you couldn't have made a better investment in years of dependable, carefree motoring.

The good things you've been hearing about Pontiac for years assure you that.

But "go" is the word for '56! Performance so new and dramatic it must be experienced to be believed!

A short spell behind the wheel will nail that statement down as a fact. Come along for a drive and see.

Waiting for the light to change, you can't hear the engine. But touch your toe to the accelerator and in a split second there's a torrent of power, sparked by the most advanced engine of them all—the blazing 227-h.p. Strato-Streak V-8.

Team this terrific power plant with Pontiac's all-new Strato-Flight Hydra-Matic* and you've got the smoothest take-off that ever brightened a highway.

And remember—this easy handling dream is actually among the biggest, huskiest cars built!

Now for the final test—head for the open road and some landmarks you can challenge. Wipe out a hill. Straighten a curve. Smooth out a stretch of rough road that's bothered you for years.

Now see why they're calling this the greatest "go" on wheels?

More than that—it's the greatest buy on wheels! And that too, is easy to prove.

Then take a look at the price tag—a check on our deal.

Nothing will stop this powerful beauty from being yours!

*An extra-cost option.

You can actually have a big, glamorous Pontiac 860 for less than you would pay for 44 models of the low-priced three!
