**Garden Club Has Birthday Party**

The many friends of Tony Felipe and Jackie Sands extend to them their congratulations and best wishes on their marriage which took place at Reno, Nevada on January 5th. After a short trip Mr. and Mrs. Felipe are now making their home at the Chapman Apartments.

Mr. and Mrs. Walter Pearmine returned last week from Los Angeles where they spent about a month at the home of Mrs. Pearmine's sister, Mrs. J. Withrow. They brought back a 16-foot trailer in which they plan to live in while travelling around the country, as they leased their bulb farm out to Mr. and Mrs. Vance of Yakima. Walter says that they will remain to help the new comers with the daffodil harvest. They are now selling their furniture, as moving from a house you have occupied for years into a small trailer calls for heroic measures.

Mrs. Jessie Judkins returned home last Wednesday after visiting the Tom Newton home at Mt. Shasta since Christmas Day. Fred Bonge returned home on Thursday after visiting in Aberdeen and Westport, Washington for a few weeks. He and his

The Eleventh Birthday Party of the Azalea Garden Club was held at the V.F.W. Hall on January 12th. The serving table was beautifully decorated with an ecru with gold tablecloth with a bouquet of yellow acacia and a large tiered birthday cake was the center of attraction. Hostesses for the day were Mrs. Eileen Swan, the chairman; Mrs. Ethel Molino and Mrs. Verna Anderson. On the table in the front of the room was a very interesting drift-wood and art-

ificial flower arrangement by Mrs. Ethel Molino.

Since this was the month the club was formed, eleven years ago, and in honor of its birthday, all the past presidents present were the honored guests, each being presented with a daffodil corsage. The new members were also remembered with a corsage, those being present being Mrs. Zelma Jensen, Mrs. Helen Mackey, and Mrs. Marilou McDonnell.

The oldest charter members present, Mrs. Jessie Judkins was also honored with a corsage. Visitors from the Smith River Women's Club were Mrs. Alice Bolick, Mrs. Mabel Maris and Mrs. Z. Maris.

On the program were the Richfield Oil pictures of the wild life of the northwest. These pictures were in color and sound, and were very beautiful and educational. Mr. Henry Kerr put on the pictures for the group. After the pictures, Mrs. Almo Newton, the first president of the Club gave a brief resume of the history of the club, followed by Mrs. Dorothy Lockland and Mrs. Bea Miller.

Many interesting stories of the past were related and enjoyed immensely by all. Mrs. Elizabeth McKenna gave a demonstration of an arrangement of primroses and ivy in an ordinary glass tumbler that was very attractive.

The February meeting will be on conservation with Mr. Willis Ragland, local forester, as the speaker. At this meeting the awards will be presented to the pupils winning in the essay contest on conservation now being sponsored by the Garden Club. The Club is hoping to have a large number of contestants. Each essay will be on display at the Azalea Flower Show under the conservation section. The winners in the local contest will be forwarded to the District and if any of them are winners there will be forwarded on to the State contest. There will be prizes awarded in all three of the contests.

Four and a half million dollars for O & C access road funds are asked for by the president in his annual budget message to Congress. This is a considerable increase over the \$2,300,000 budgeted last year.

**NATIONAL BUDGET** — Four and a half million dollars for O & C access road funds are asked for by the president in his annual budget message to Congress. This is a considerable increase over the \$2,300,000 budgeted last year.
