Letter to the Editor

May I suggest that it might be a wonderful idea to have a kind of musical and drama guild or music, drama, and art, perhaps.

Anyway, some such organization so that we might all, who are artistically inclined, work together. At this time I believe there is surely more interest in things cultural than there has ever been before in Brookings. For so long, I have wished there was something doing in dramatics. Now, we've seen Mrs. Gibson's seventh and eighth grade students perform at the P.T.A. I am surely hoping that that sort of thing will continue.

I have a feeling there are many people about with talent we don't know of. Perhaps they, themselves, don't realize their hidden talents. I'd love to see a chorus of men and women together in this town. A string quartet, an operetta, or at least something where singing and acting and even dancing may be combined—a boy's chorus. We have more able pianists, violinists, accordionists, etc, than many realize. Why don't we all get together to get acquainted and perform for each other, at least. Does anyone feel the way I do? If so, why not send your name in to Phone 2578 with suggestions you might have. If we all join with the idea of giving rather than getting it could be a wonderful thing, I'm sure. Let's not make it a thing to promote ourselves or own business so much as to help each other to create something better.

— Willimina Donnelly

CAMERA CLUB MEETS — The Chetco Camera Club had its first "Murder Night" in the VFW Hall, the 17th, and a great time was had by all, including the models, Sandra Way, Lenny Zink, and last year's Azalea Queen, Joanne Smith. Mrs. Aaberg also brought her two months' old daughter as a subject for Baby Photography.

There was a jovial "shooting duel" between John Eldridge and Ed Strong, using identical cameras. Each received a print of themselves of every exposure made.

At the next meeting, to be held the evening of February 14th, there will be a lecture on Filters and their use in photography. All are welcome.

DRY IN IOWA — Farmers in Iowa have been so dried out they have been hauling water to their ranches for the past two or three months, and there does not yet seem to be enough moisture in the soil to encourage them about next year's crops.

HOME EC GROUP FORMS — The Home Economic Club of the Chetco Grange was formed, Wednesday, January 18th, at the Chetco Grange Hall. Eighteen women of the Grange signed the roster, with more to be added. Mrs. Alma Johnston is chairman; Mrs. [illegible] Zumpf[illegible], vice-chairman; [illegible] Ruby Harvey, Secretary-Treasurer, of the group. The first project will be the Chamber of Commerce dinner, to be held in the Grange Hall at 7:30 p.m., January 26th.

The regular meeting day will be the second Friday of each month at 2 p.m.
