

HARBOR NEWS

Mr. and Mrs. Clinton Lowe are parents of a seven pound seven ounce daughter born at the Seaside Hospital last Friday. They have named the little miss, Linda Marion.

The Grange Home Economics Club will meet at the Grange Hall, Friday afternoon, February 10th for its February meeting.

Mrs. Docia Sweet of Sixes was an overnight visitor at the home

of Mr. and Mrs. H. J. Weigel last Thursday. She attended the Grange meeting Friday evening before going home.

Mrs. Lewis Peterson and son, Richard, drove down from Portland Sunday to look after property here.

Mrs. Steve Cate and Mrs. Donald Payne made a business trip to Medford, Friday.

Mrs. Clara Kerns returned home Sunday, after a several weeks visit at the home of her son, Ben Kerns, in Atwater, California.

Spring is here, as the Sears Roebuck Spring and Summer catalogs came last week. The Montgomery Ward ones should be here soon as Smith River and Fort Dick received theirs on Tuesday.

D. F. Massett was taken to the Seaside Hospital the latter part of the week with a threatened case of pneumonia.

Mr. and Mrs. Harry Webb are on a month's trip to Mexico, and will spend part of the time at Mexico City. While they are gone, the children are staying with their uncle and aunt, Mr. and Mrs. Chester Thompson.

Mr. and Mrs. Elzie McCulley have moved back to the Rogue River Valley to make their home after being employed by Ed Rigdon on his bulb farm for the past year.

Mr. and Mrs. George Buckle left for Blue River to make their future home after living in this area for a couple of years.

One wonders what kind of person it is that will throw red paint at the good looking Brookings city sign at the south entrance into town. Vandalism of this sort gives anyone that is travelling through a bad impression of the people living in the community.

Don Ross Claims Jammed On 53-88 Telephone Lines

Don Ross, Brookings businessman, says that when you mention magic numbers and money, you leave yourself wide open to be trampled in the rush.

In the columns of this paper last week, Don claimed that his magic number—53-88—could solve almost anybody's financial problem, and invited telephonic calls or visits.

Don, his hands bruised from shaking hands, his ears puffed up from answering the phone, and his voice hoarse from saying "Yes!", has decided that he'd

better explain the magic formula in print.

"53-88 means that you can borrow \$1,000 from COMMERCIAL FINANCE, pay off all your bills, and pay us back at the rate of \$53.88 monthly for 24 months," Don says.

"What is more, no payment is due for SIX WEEKS after you receive your loan. From COMMERCIAL FINANCE, in the Northgate Building, you can borrow 25 to 1500 dollars. Loans are made on your salary, or on your furniture or car (paid for or not!)." And to heck with his bruised ear—if you want more information just call 4171 and ask for Don. His greatest pleasure in life is saying "Yes" to your application for a loan!

BARTLEY'S HUGE LEGACY

Word has come back to us that Glenn Bartley, well known here, who recently failed to survive a delicate heart operation, had previously willed his eyes to Korean veterans, wounded in service who had lost their sight.

Glen used to have the meat concession in the Chetco Store.

HOME EC MEETING

The home extension club will meet at the Chetco Grange Hall, at 10:30 a.m., on February 15th, for a demonstration of Smorgasbord. Mrs. Cleo Craig and Mrs. Ann Dawson will be in charge of the day. There will be a small silver collection to help with the dinner.

VFW MEETING

All VFW and Ladies Auxiliary members are especially urged to attend the next meeting night, on February 15th. The two units will then perfect plans for their Overseas Veterans Dinner. Milt Foster, and assistants, will set forth another of his famed Roast Turkey and Trimmings suppers, on March 3rd, at which all local eligibles to the groups will be welcomed. The proceeds at \$1.50 per plate, will be used on building improvement.

CHUCK'S APPENDECTOMY

Chuck, young son of Mr. and Mrs. Bert Kerr, had his appen-

dix removed last Saturday afternoon at Seaside Hospital. Mother and Father Kerr were spending some of Sunday at Chuck's bedside when Chuck told them there wasn't any use of their sticking around, that he would make out all right, so they came home, sure that he would if he said so.

World Day of Prayer will be observed at the Baptist Com-

munity Church, February 17th at 2 p.m.

From where I sit... by Joe Marsh

New Future For Your Present

How many ties did you get for Christmas? For once I didn't come up with any—could have used a couple this year, too. Instead I got three wool mufflers. Never wear a muffler.

Some people are determined to do something about the Useless Gift Problem—they're holding a "White Elephant Party" Saturday at the Community Hall.

Handy Peterson's the chairman. "Bring any presents you'd rather give than receive," he says. "Chances are you'll swap them off for something even worse—but it ought to be fun."

From where I sit, it's sometimes pretty hard to give a man exactly the present he wants. Other people so often have tastes and preferences that differ from our own—for example, think of all the people you know who claim coffee's the beverage, and all the others (like me) who'd rather have a glass of beer. Being able to make your own choice is the greatest "gift" of all.
