

Smith River P.T.A. Plans For Smorgasbord

The ladies of the Smith River P.T.A. have begun planning their annual smorgasbord to be held March 10th, at the Smith River Community Hall, from 5:30 to 9:00 p.m. For several years past this event has attracted a good crowd and the ladies are anticipating a repeat this year. Tickets at \$1.75 per adult and 75 cents for grade school ages, with pre-school customers served without cost, may be had from Westbrooks or Hights Store or at the door.

Ted Westbrook is to preside at the organ for incidental music throughout the supper hours.

The co-chairmen for the smorgasbord are: Mrs. Arnold Samuelson and Mrs. Palmer Westbrook; Tickets, Mrs. Gordon Wells; Publicity, Mrs. Dean Bramer; Food Solicitation, Mrs. Weldon Blagdon; Decorations, Mrs. Lewis Ulrich and Mrs. E. J. Ostrom; Dishes, Ed Eagles; Hostess, Mrs. Taylor Westbrook; Entertainment, Betty Mello; Food Arrangement, Mr. and Mrs. Joe Sierka, and Kitchen Beautification, Mrs. Ben Kinne.

— THANKS —

The V.F.W. and Ladies Auxiliary members want to thank all those who helped dispose of 150 pounds of turkey, plus the trimmings, at their hall, last Saturday evening. It was unfortunate that the late-comers found the turkey all gone and had to be satisfied with ham.

Many diners said it was a superb meal and the sponsors were set well along in their plans for improving the property.

Legion Meeting At Coquille

An American Legion and Auxiliary District No. 10 conference was held recently at Coquille. The Department president, Marjory Leach, First Vice-President, Frances Grund; Secretary Amelio Thornton; and the District President from District 10, Ethel Montgomery were distinguished guests for the Auxiliary.

Both the Chetco Post and

United No. 138 were represented, and reposed a very interesting and beneficial evening.

The Chetco United No. 138 had the honor of receiving an award for being the first goal unit in the district by October 20, 1955.

They will also receive a National Presidents Citation at the Department of Oregon American Legion Convention to be held in Albany in July.

A National Presidents Citation is given if the unit has a 100 percent goal by November 11th, and has reached the previous years membership by Jan. 31st.

The Chetco Unit has the honor of the District No. 10 Child Welfare chairman, Mrs. Jake Rosen, (Alice) coming from the unit.

Department of Oregon Legion officers were also present. They were Jack Larson, Dept. Commander; Joe McDonald, Dept. Adjutant; and service officer, Glenn Howe.

SPBSQSA VACATION

The Monday night's scheduled meeting of the Barbershoppers is called off because of school vacation and the school house will be closed. Subsequent meetings will be as per schedule.

WALKERS VISIT — Mr. and Mrs. Sidney Walker came down from Pistol River, last Saturday evening, to take in the turkey supper at the VFW Hall. Sid has been a member of the post since 1934 and it was the first time he had attended. While there he met Pete Olson, who was up with his wife, and George Gates was up from the Trinity country. Sid and Pete had quite a reunion, both having been in the same outfit in France in World War I—the 91st Division.

GORDON IS IMPROVING — The many, many friends of Gordon Olson will be mighty glad to know he is on his way to recovery. His good wife says he got up a bit, the middle of the week, but will have to take it easy for a long time.

TISDALE TICKLED — Luther Tisdale has a new gimmick he is pretty well enthused over. It is an instrument into which he stuffs stuff and out comes it all chewed up. Lute throws in old newspapers, discarded vegetation, and only he knows what not and the mulligan that comes out he spreads in his garden. says it keeps down weeds, makes fertilizer, loosens the soil and a splendid angle worm incubator. Besides, it also keeps Dad Will McIndoe useful, feeding the blasted thing.

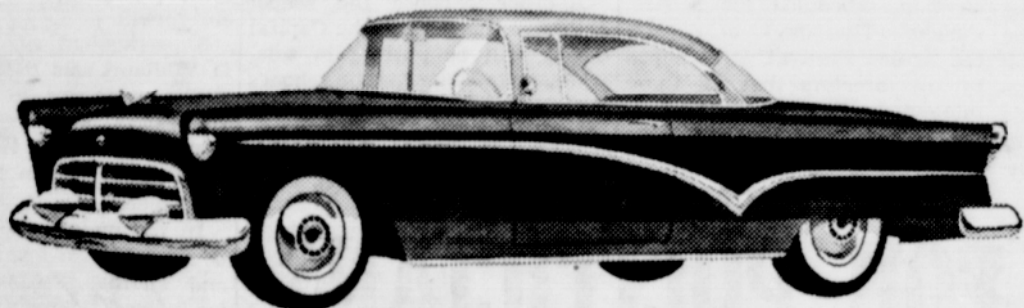

MUCHMORE PLACE IS SOLD — Mrs. Vera MacNamara and her mother, Mrs. John Mosier, report they have bought the Muchmore property near the ocean, on Tanbark Road. They plan to build a new home there, later.

MRS. GRAYSHEL IS HOME — Mrs. Charles Grayshel returned, Saturday, from an extended vacation in Mexico. She reports that Mrs. Webb Hibbard will be returning later, with friends. The ladies were together in Mexico.

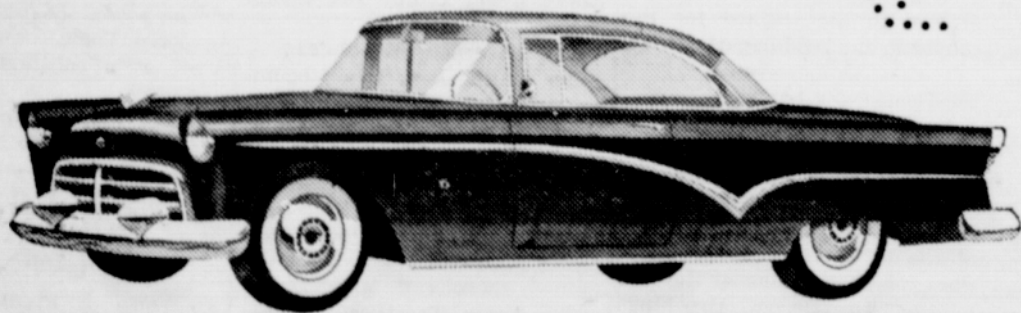

SOME FUN!

\$100,000

\$2,500

TWIN CARS... WHY DOES ONE COST \$100,000?

The \$100,000 car is a hand-built advance model. When the same car is mass produced the price comes down to \$2500. Advertising helps create the wide-spread demand and the millions of sales that make mass production possible.

Advertising also makes this car a well-known friend, with no hidden secrets. Just from reading the ads you know its size, its horsepower, its quality, its price — where to see it, buy it and get service. From advertising alone you can compare one make with another and virtually decide which offers the most for your money.

And of course mass production makes more jobs, so advertising helps that way, too.

It's a fact worth remembering:

ADVERTISING HELPS YOU LIVE BETTER FOR LESS!
