

**THESE PEOPLE LIVE HERE . . .**

(This is the 14th of a 26-weekly OSTENBERG'S is a company that has shown a remarkable growth in the past 7 years. In 1949, Karl and Louise Ostenberg opened a small floor covering shop in the Brookings Hotel Building. Later they added linoleum and they just grew out of their quarters. On January 1st of this year they moved into the new building constructed on the property

formerly occupied by the former Azalea Garage. The move more than tripled their display and storage space. Many new items were added with the move making it a more complete interior supply center.

The Ostbergs moved to the area in 1946 on a farm about 5 miles north of Brookings. They still own the farm and are farmers whenever they find a few minutes away from their growing business.

They chose the name Ostenberg's largely because the two children have always shown a keen interest in the business. They are David, 16, and a sophomore in high school and Jeanne, 11, in the grade school. Both help out in the store after school and vacations.

The family say they wouldn't live anywhere else. They enjoy their contact with the people here more than any place they have ever lived.

as it has been since 1948. However, the partners have changed since 1950. Virgil and Marjorie Goldsberry had been a partner of Roy Sunderland but in June of 1950 Goldsberry formed a partnership with Don and Cleo Craig and bought out Sunderland.

Goldsberrys are formerly from Portland where Virgil was connected with the General Electric Company. They have a son, Douglas, who is a senior in high school.

The Craigs are from Selma, Oregon, moving here in 1945. Before entering the partnership Don was engaged in the logging business. They have 4 children. Walter is a sophomore in high school and the 3 younger children are in grade school.

Both families have been active in civic affairs and have taken a great deal in interest in the sport and fishing development of the area.

THE CHETCO HOME AND AUTO is primarily a hardware, sporting goods and home supply store. The store is a partnership

ANNIVERSARY FOR ARRELL REXALL DRUG Tuesday marked the beginning of the fifth year for Arrell Rex-

all Drug Store in Brookings. There was a Drug Store here but it was not owned by Frenchy and Ellen Arrell. Prior to May 1, 1951 the old timers will recall that it was operated by Ted Zeller. It was at that time, just five years ago that the Arrells moved here from Coquille to take over. Frenchy had worked in the drug store there for 19 years.

When the Arrells took over, the store it was located in the Kerr Building. In November of 1951, just six months after arriving in Brookings, they moved to the present location. Last October they spread out into the adjoining quarters previously occupied by Palmer's Variety.

Arrell is well grounded in his field. He graduated from the OSC School of Pharmacy with the class of 1950. He is a member of 2 pharmaceutical societies, Kappa Psi and RHO Chi. He is also proud of having made all school honorary Phi Kappa Phi. He is an ex-service man, having been discharged from the First Marine Division in 1946. He was in the Okinawa and North China campaigns.

The couple have one son, Jerry who is 12 and in the 7th grade. Joe Sayre is also a registered pharmacist, a graduate of the U.C. class of '54. He came here from Coquille on November 8, 1954. It can also be noted that Sayre is registered in both Oregon and Colorado.

JOHN F. SORBER PASSES ON John Franklin Sorber, 80, passed away at Crescent City, April 23rd, 1956. A native of Pennsylvania, Sorber had lived in the Del Norte county seat for some years following residence at Gold Beach. He was a brother of the late Fred Sorber. They were natives of Pennsylvania.

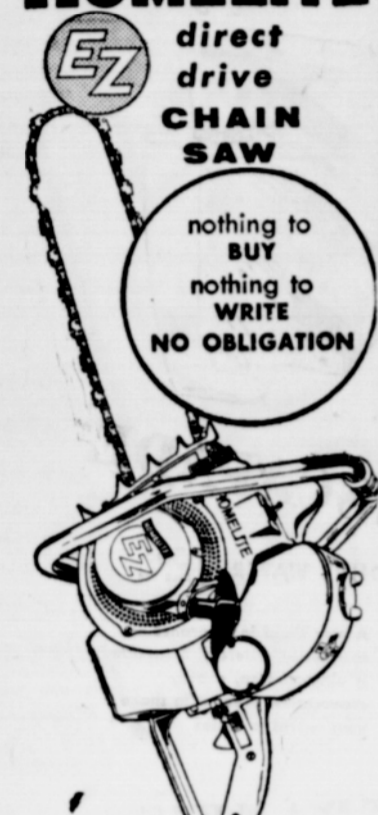

Dr. Brown brought a couple of girls in his little black bag. One he delivered to Mr. and Mrs. William Shipley, on the 25th; and the other to Mr. and Mrs. Herschel Chaney, on the 27th.

OVERPOPULATION — Our good friend, the Illinois Valley NEWS boosts its home (Josephine) county population a little too much, it is suspected, when it ran a story saying that 13,343,779 people registered to vote there. Anyhow, the tally, as reported showed some 250 more Democrats than Republicans registered in the county.

Dr. and Mrs. Ed Samuels attended the monthly meeting of the Oregon Association of Chiropractic Physicians, last weekend at Coos Bay. The forthcoming June Meeting will be held here in Brookings. About ten practitioners attended, with their wives.

CARD OF THANKS Our heart felt Thanks to the friends who shared our sorrow in the loss of our loved one. Your cards, flowers and calls did much to help us through this sad time. Maude Longacre, D. C. Longacre and family Mrs. Iola Muller and Son Mrs. Verloise Upp
