

E. C. Sammons, president of the Highway Lifesavers Committee of Oregon Citizens, Inc., formally announced the three state-wide winners in the Responsible Drive Code Contest recently conducted in the Oregon high schools at the Traffic Safety Conference called by Governor Smith in Salem, May 3rd. Gov. Smith awarded the prizes.

The three state winners are: First, \$250 U. S. Savings Bond to Clinton Reeder, Helix High School; Second, William Wilkerson, Tillamook; and third, Donald Falleur, Star of the Sea School, Astoria.

GLOVE COMPARTMENT!

How long since you have dug out that "Glove Compartment"? No matter what kind of a rig you herd, go take a look at the "Jockey-Box" right now. Unless you're someone almost unbelievable, you'll undoubtedly find a lot of soiled or wrinkled junk and trash which would never be tolerated in the home. This junk could very well be replaced with a small first-aid kit, flashlight, a couple of safety parking warnings, an extension cord light, and a bottle and can opener. Probably you can profitably add to

this list but you'll likely have to swamp it out before you can get any more in it, most likely.

NO COUNTY TAXES!

There is a news story going around that the residents of Jackson County will have no county taxes to pay, this next fiscal year, starting next July first. The Jackson County court is said to have voted to quit putting aside sinking funds for the items not specifically budgetted and, like all counties, Jackson will have income from State sources such as their share of the liquor and amusement taxes, BLM, and O&C, Federal Forest money and various license fees. This pertains only to the funds required by the county court. There will still be school, fire city, and other taxes.

Former 4-H Club members will again be honored in 1956 for outstanding citizenship and leadership activities in community and business affairs through the National 4-H Alumni Recognition Program.

The search for outstanding 4-H Alumni is going on in 47 states. Awards for the winners are provided by the Plant Food

PLANNING BIG SHOW in Crescent City, an annual event of the Crescent City Lions Club are Maris Ward, club president, and Lee Wainwright, director of this year's show. The show, entitled, "Shooting Stars" will be presented in the Del Norte high school auditorium on May 17, 18 and 19.

Division of the Olin Mathieson Chemical Corporation.

Framed certificates are offered for two winners in each county who have adhered to the ideals and principles of 4-H in their adult careers. Burnished copper plaques, mounted on walnut, will be presented to four state winners.

Eight national winners chosen from the state nominees, receive gold keys and all-expense paid trips to the National 4-H Club Congress in Chicago, November 25-29. At the Congress, they will be guests of honor at several events, including the National 4-H Alumni Winner's Banquet.

Former national winners in the Alumni include governors, bankers, farmers, homemakers, farm newspaper and magazine editors, university and government officials and other community, state and nationally recognized leaders.

Nomination forms and complete information on the program may be obtained from the County Extension offices. Awards in the program are coordinated by the National Committee on Boys and Girls Club Work.

PULP MILL —

Construction work has begun on the new Georgia-Pacific pulp mill, at Toledo. All work before this time has been planning and engineering. It is estimated that at the height of the construction period between 900 and 1200 men will be employed. The plant is expected to produce about 250 tons of pulp per day by early 1958.

BACK TO TEXAS —

"Bob" Williams who recently sold his ranch up the coast from Brookings, left this last week for a visit to relatives in Texas. George Shirey accompanied him. "Bob" had been a Curry rancher for many years. His many, many friends wish him well and really expect to see him back in Brookings.

LESMEISTER TEAM WINS LEAGUE

The Beaverette League came to a close last Thursday with the Lesmeister team carrying away the championship with 78 wins. The last night of play they lost four points to Brookings Market team, who ended in fifth place with 62 wins.

The Mode O'Day team finished in second place with 72 wins. They played Wards Propane, who had 54 wins. Wards won three points.

The Kerr Hardware and the B & H Logging both tied with 69 wins. The B & H team took three the last night, from Kerrs, and in so doing took over third place

142 and Guthrie 141.

The Men and Women City Association held a banquet on Wednesday night at the Cliff House with awards being presented.

NEW WASTE PLANT —

A corporation formed by a group interested in the utilization of raw wood waste has been formed in Yamhill County and an option taken on a plant site at Willamina. The material is slated for the dry process to form board suitable for home and other construction uses. A

flat press is to be installed rather than the more common extrusion method, the report states. Waste products from some 30 sawmills in the area will be used.
