SCOUT BUILDING PLANS

Thanks to the co-operation of several, the Boy Scouts plan to soon start their meetings in their new building although it is far from being completed. Among the recent contributions has been a great deal of labor under the direction of Roy Weideman, \$200 from the Elks Lodge; \$100 from the South Coast Lumber Co.; \$100 from the Brookings Plywood Corp. plus a quantity of material and other donations are trickling in. According to Mike Page, the structure is now ready for some plumbing and wiring work. The indebtedness against the building amounts to around \$2,000, according to Page, most of which is for labor, and scheduled for first paying. Mike or Ray Reeser should be contacted with any further offers, and they ask that all interested parties, and especially representatives of various organizations, meet at the building this coming Sunday, the 13th, to see what has been done and to help make plans for the future.

Just before the building is put to use, Page says, a big Scout Parade will be held.

UNITED FUND IN MAKING

A meeting was recently held in Grants Pass for the airing of a United Fund project, at which George Flanagan, Crater Lake Area Boy Scout official, gave the history of the fund drive consolidation in Jackson County. Ralph T. Moore, chairman of the meeting, pointed out that most of the substantial potential donors, especially those most easily reached by solicitors, are demanding a consolidated type of drive to save them time and to include more donors.

JAMES

Bedingfield Jr.

REPUBLICAN
CANDIDATE

for

SENATOR

from

Coos and Curry Counties

We urgently recommend to Republican voters the name of James Bedingfield, Jr., a member of a prominent law firm in Coos Bay. Bedingfield is a life long resident of Southwestern Oregon.

Young, aggressive and progressive, Bedingfield will serve the causes of Southwestern Oregon diligently and sincerely.

As a member of the Marine Corps he served with distinction in two wars. He fought in both World War II and in Korea.

Some people have asked why Bedingfield's name does not appear in the Voter's Pamphlet. Because right up to the last minute, it appeared that he would have no opposition for the Republican nomination.

Representation

Without Favoritism"
