

THE CHETCO CHORAL CLUB, above, will resume rehearsals in June, after recently completing a successful concert. The group is under the direction of Mrs. Lee Rice.

I have been saving this one for some time now. Seems like newspapers all over the country are always getting ribbed for some misspellings that appear in the various editions. Dotty Flynn clipped a very appropo little explanation of the entire matter to wit:

"... In Garbor, Oklahoma, the editors of the Free Press, who had moved into a new office, apologized for a rash of misspellings in recent editions of the newspaper: "Please excuse. As most of the words we use frequently and cannot spell are written correctly on the wall in our old location.

It has been almost two years since we moved from Elmer Bankus' Central Building, but we still haven't learned all the words correctly again. All good things take time you know. Anyway, Elmer can claim he is the best speller around here now.

And we do know how to spell HORSE, NOW.

A WORKING Crew of Virginia Manley, Marjorie Chapman, Lulu Goldizen, Nadine Schroder, Laura Anderson, Dale Chapman and Clive Manley built, painted and prepared the racks for the Azalea Festival Art Show to be exhibited on. I emphasized WORK because that is really what they did. Other committees around town would have profited by their attack of the problem.

Bill Muncy has taken to the arts also. Have you seen the expertly done sculpture of a pig's head in his show case window? A very nice piece of work even if the media is ground pork.

BIBLE SCHOOL TO BEGIN ON JUNE 4th

The bible school of the Brookings Bible Church will start Monday, June 4th to the 15th, from 9 a.m. to 11 a.m., every morning except Saturday. The theme is to be "Champions for Christ." Children from 4 to 13 will attend the summer school. The classes will be held in the Church building, and will include instruction in handiwork. Refreshments will be included.

SAM HALL, FAMILY TO GO TO FLORIDA

District Attorney, Sam Hall, Harbor, is leaving this week on an extended vacation in Florida. It will be Hall's first vacation in 11 years.

Hall and his wife are taking the four boys on the trip by train, to the west coast of Florida near Tampa, where they will visit Mrs. Hall's family.

Despite strong winds slanting across the lower Chetco's basin there was no lack of tingling thrills in the speed boat races held there last Sunday.

It was the third time a crowd had gathered under the auspices of the local Lions Club to witness contests in the various classes of the smaller racing craft. Outside the occasional, slanting gusts, the day was ideal and everyone of the contestants did their best to put on a good show but when the winds became threatening danger a recess was called so some of the crowd, drifting away, did not see the best of the show—the contest between the smaller, more heavily powered rigs.

So far as can be learned, the event was financially satisfactory to the promoters.

will be held in the church building.

On June 15th the school will be concluded with an evening service, to which the parents are invited.

TWO LOCAL MEN PLAY BALL FOR CRESCENT CITY

Two local boys, Jim Barrett and Lee Goodin are playing with the Crescent City Merchants again this year. Jim played three years for the Brookings Beavers and Lee played with them in 1954. Both boys were with the Merchants last year.

Tex Gatlin, Del Norte high school coach, is managing the Merchants this year. The team has a lot of enthusiasm support at Crescent City, and the team hopes to see more Brookings fans at the games.

On Sunday, June 3rd, Scotia will play Crescent City at Peterson Park. On June 10th, Crescent will take on Scotia there. Blue Lake will be at Peterson Park on June 17th.

CONCERT SERIES IS REPORTED

The annual membership campaign for Community Concerts came to a close on May 19th, when officers and workers of the local Association met in Crescent City with the headquarters representative, Miss Elizabeth Score. Brookings workers attending the meeting were: Mrs. Roy Brown, Mrs. Fell Campbell, Mrs. L. G. Twoby, and Mrs. C. Ed Dempsey. Mrs. Lee Hein was unable to attend.

The season will start off in October with the American pianist Bryon Janis, who has played innumerable engagements with the New York Philharmonic, and the orchestras of Philadelphia, Boston and Chicago. He has also made two South American and four European tours.

Dorothy Warensrjold, whose voice has been described as "one of the purest before the public, clear and flexible as silver", will be a later attraction. She has won such fame on television and radio, that she has a large following outside the operatic and recital fields. Many local people have heard her on "The Voice of Firestone" television show, as well as radio.

Harpist Mildred Dilling, considered the "First Lady of the Harp", will appear in early spring. She has thrilled audiences in nearly every country of the world and appears regularly on television. She brings eight harps with her on tour, and her wit as well as playing ability has endeared her to her listening public.

The last concert of the season, coming in April is something many of the 150 Brookings members have been asking for...ancers, billed as "Ballet and Balads." Critics have been exclaiming for the past five years about Emily Frankel and Mark Lyder, and their unique combination of dance artistry and theatrical impact. Now they have added to their group the talents of singer Will Holt, who can hunt anything from New England folksong to "Lazy Afternoon."

Those responsible for bringing the concerts here feel that this will be one of the most enjoyable series ever presented.

Assembly of God Church Plans Bible School

The Assembly of God Church will have a bible school, beginning on June 4th, and ending on June 15th. The classes will last from 9 a.m. until 12 noon, and will consist of handiwork, Bible stories, games and songs. They

Memorial services were held in the Ward Memorial Cemetery Wednesday forenoon, under the direction of Ezra Ross, VFW Post Commander, Mrs. Leonard Harvey, Senior Vice-President of the Ladies Auxiliary, VFW; and Mrs. Verna Mendenhall, representing the American Legion Auxiliary. A firing squad, under the comand of Frank Kelley, and all in their wartime uniforms, gave the last salute, followed by taps sounded by Roy Brown. Clyde Jessup, long time VFW chaplain, gave the invocation.

The services were held at the graveside of the late Tom Barclay, veteran of the Spanish-American War, and former long-time resident here. Wreaths were placed on his grave and new flags placed on the graves of all departel comrades.

YOUTH BUILDING CONTRIBUTIONS IN

Contributions of time, money, and effort have been coming in nicely for the King Memorial Building to be used for Boy Scouts and other youth activities, reported Virgil Clark.

Clark said that he wanted to extend his personal thanks to Mr. and Mrs. Archie McVay, Mr. and Mrs. E. E. Hanscom, Sr., The South Coast Lumber Co. Brookings Plywood Corp. and the Elks, for their recent contributions. Also, he said, the efforts of Roy Weideman, Henry Kerr, and Mike Page on the project have been very commendable. The building is coming along nicely, and the boys will be meeting there shortly.
