The New York Stock Exchange says that "bulls and "bears" have a picturesque origin. Long ago gamblers would sell bear skins before they got their bears in the hope that a falling market would bring big prices and the bulls got their name from the animal's habit of tossing things up into the air.

PLANT PARADE —
Plant life, all the way from the single celled lowest form up to its most complex structure—lichens, mosses, ferns and so on through the entire category—are pictured and described in one of the most interesting of botanical books, "The World of Plant Life", by Clarence J. Hylander, newly in its second edition. The book is on the shelves of the Community Library in memory of Mrs. Albert Joy, through the thoughtfulness of Mrs. Walter Wollam. It is certainly a most appropriate memorial, one which the whole community can profit by whether plant lovers or not.

SEE WHAT THE KESSAMIN REDUCING PLAN OFFERS!

1. A reducing diet (The Kessamin Booklet) prepared by a physician and a dietician to give best possible diet.
2. Vitamins to prevent deficiencies which cause nervousness, irritability and that tired, dragged-out feeling. Also supplemental minerals and iron to help prevent nutritional anemia.
3. Vitamins plus the bulk, Carboxy Methylcellulose, to stimulate normal intestinal elimination.

TEN BILLION MILES OF PROOF!

The time-tested, performance-proved 4-Wheel-Drive 'Jeep' Truck

The 4-Wheel-Drive 'Jeep' Truck, like all vehicles in the 'Jeep' family, is time-tested and performance-proved. It has the "go-anywhere" ability to take you over the toughest terrain, the extra versatility to do many different jobs.

Before you buy any 4-wheel drive truck remember this: only ONE has been time-tested over many years, only ONE has been performance-proved through countless miles of the most strenuous transport service. That ONE is the rugged, 4-Wheel-Drive 'Jeep' Truck. No other 4-wheel drive truck even approaches its amazing performance-proved record. So, why experiment or settle for less than the only time-tested 4-wheel drive truck in its weight class—the 4-Wheel-Drive 'Jeep' Truck that gives you more performance-proved value.

Rugged 'Jeep' Trucks are functionally designed with time-saving features like high-skirted fenders and a full-opening hood that puts the engine within easy reach for servicing. Put it squarely up to your 'Jeep' dealer to show you what this performance-proved Truck can do for you. He'll be glad to arrange a demonstration.
