

**ON THE ROAD—  
DRIVE SAFELY**

Oregon's roads and highways were built on the principle that one good turn deserves another. Driving safely on these roads is an art which every motorist should strive to master. Who knows what danger may be lurking around the next curve. As

you approach a hill do you always know what is on the other side? Do you know what the driver in front of you intends to do next? These are some of the uncertainties which make driving hazardous. Do you observe the simple rules of the road? How close do you follow the car in front of you?

What are the signals for left and right turns, when should they be given? What is the speed limit for the open road? What are the common courtesies to be extended to other drivers? These things you should know and if you're not certain, check your driver's manual quick.

Signs indicating the speed limit are not put up for decorative purposes, but rather to aid in the safety of motorists and pedestrians. One thing you may be certain of and that is there is rarely a time that driving faster than the indicated speed limit is the right thing to do. However, weather conditions and the condition of your car may make it unsafe for you to travel the speed indicated. Use your good judgement and drive safely!

**LUTHERAN YOUTH LEAGUE**

The Lutheran Youth League of Faith Lutheran church had a beach party Sunday at Mill Beach. The group enjoyed such games as volley ball and their day closed with a Vesper service.

In addition to the fourteen young people, the four counselors, Mr. and Mrs. William Hamann and Mr. and Mrs. Jerry Schroeder along with Pastor and Mrs. Joseph Galambos were present.

The group has resolved to send one of its members to the Leadership Training School at Oakland California next week. Their plans for the near future include the showing of some Christian motion pictures.

The L. Y. L. meets each Thursday at 7:00 p.m. Any young person of high school age who is not connected with a church group, is invited to join this Christian fellowship and service group. For further information call 4732 and ask for Mrs. Schroeder.

The Faith Lutheran Circle held its July meeting last Wednesday evening at the home of Mrs. Marjory Renhart, with Shirley Frasier as co-hostess. This was the first meeting with the new pastor, Rev. Galambos and was well attended.
