Carol Lane Visits

Carol Lane, who lectures throughout the nation under the auspices of the Shell Oil Co. dropped into the Pilot office Friday morning for some data on this neighborhood. Her job is to gather travel material of especial interest to women, to groups of whom she talks quite all over the United States. She told us she found Brookings one of the most attractive areas she had ever visited and regretted her schedule wouldn't admit her staying longer. She commetned upon the neat oppearance of Brookings and Harbor and said that the highest delight were the fields of blooming Easted lilies and the beautiful state parks.

The City of Oswego, with its beautiful and exclusive homes, is confronted with serious school expense problems. Apparently, they are in a very difficult situation, especially when right across the river from them the industrial areas have good schools and much easier taxes.

THAT'S A FACT

Ford goes first *with the goingest V-8!*

Ford has sold more V-8's than any other manufacturer . . . by millions. And with good reason! Ford's far out front with the biggest engine in its field!

When *one* make of V-8 takes the lion's share of the honors in performance *and* economy, then you know you've got a real winner! And that's exactly what Ford's V-8's have done. After beating everything in its field in major stock car events, a Ford V-8 set a new stock car record for 500 miles at the famous Indianapolis Speedway. Earlier Ford proved its *economy* by finishing first in its class in the famous Mobilgas Economy Run. Of course, Ford's special ability to handle smoothly, efficiently, and safely over the toughest terrain helped keep Ford on top! No wonder Ford's the world's best-selling eight. Stop in and give one a try!

Now up to 225 h.p.

V-8 power? *You name it.* The big 225-h.p. Thunderbird Special V-8 is available in Fordomatic Fairlane and Station Wagon models . . . the mighty 202-h.p. Thunderbird V-8 is standard. And the 202 is also available in Mainline and Customline models at low extra cost.
