

Larson, Hardison In Golf Finals

In one of the feature matches of the semi-final round of the Del Norte Golf club championships last Sunday Einar Larson had his putter a little hotter than Lee Hein's, carrying canning good sized puts for wins on the 2nd and 17th holes, which wins provided the final victory margin.

Both Bill Harrison and Bob Collier played excellent golf during their match. Hardison had no scores on two holes but was one under par for the other 16 holes, while Collier came in with a 75 for one of his best rounds in some time. Collier was chipping and putting very well except on the 16th hole where he chipped and two putted to lose to a par and to go one down. Both players scored birdie 4's and halved the 18th in pars leaving Hardison ahead the one hole won at the 16th.

Larson and Hardison will meet for the championship next Sunday with the match scheduled for 35 holes. The first round will start at 9:30 a.m. daylight time and the final 18 will start at about 1:30 p.m.

Finals in the lower flights are also scheduled for completion this week end. The only other Brookings player left in the tournament is Ray Kemp who will meet Carl Forsyth in the finals of the third flight.

Garden Club takes Annual Tour Thurs.

The Garden Club met Thursday, August 9, at the V.F.W. Hall to begin its annual tour. Twenty-

eight members and guests first visited the garden of Mrs. Ed Ravekes on Pioneer Road.

Mrs. Juantita Echols of the Flower & Gift Shop, took in the annual toy buyers fair at 'Frisco, this last week end.

Mr. and Mrs. G. L. Browman of International Falls, Minnesota, spent the week end at the home of his brother and his wife, Mr. and Mrs. H. W. Browman.

Doris Shuey who has been working this summer at Palmers is leaving soon to join her family who now live in Klamath Falls.

Mr. and Mrs. R. H. Hein of Anaheim, California, visited at the home of Mr. and Mrs. E. G. Steinow. The Heins have returned from a trip which took them through Yellowstone Park.

Mrs. Sam Dotson, her son, Sammy and her mother have been traveling to the east coast. They recently called her husband, Sam Dotson, from New York City. He commented to friends how clear their voices came through.

Mr. and Mrs. Jack Bellamy of San Gabriel who have been visiting Mr. and Mrs. Wm. Chadwick for the past month left Wednesday for their home, Mrs. Bellamy will be remembered from their many years' visit here as Helen's sister.

Mr. and Mrs. Clifford Shearer and family of Kingsley, Iowa are visiting Mrs. Shearer's parents, Mr. and Mrs. John A. Hall on Easy Street.

Andy Gunsolus dropped in to say he and his wife, Sadie and two children are moving, the first of the month to an 80 acre alfalfa ranch they've bought over in the Bend country.

The driveway forms a semicircle with flower beds on either side. One of the beds is devoted almost entirely to roses. Mrs. Ravekes has grown almost all her plants from cuttings. Toward the rear of the house is a concrete patio which houses many of her ferns which require a great deal of shade. Here also she keeps the planter she won at the flower show this spring. The Ravekes purchased their home about four years ago and at that time it was a field of crab grass. As souvenir of the visit, Mrs. Ravekes presented each of the ladies with a spray of lavender from her garden.

On Crissey Circle the ladies visited the garden and yard of Mrs. Frenchie Arrell. Their long lawn was bordered by a bed of nasturtiums. Bordering the large flower beds were purple lobelia and marigolds.

The house overlooks the ocean and the many beautiful flowers add to the view in the back of the house. Hanging from almost every tree are slatted flower boxes filled with geraniums. The canary bird vine with its unusual little blossoms caused a lot of comment.

In the garden of Mrs. Charles Grayshell in Harbor her dwarf sweetpeas were of great interest. On the shaded side of the house was a beautiful mallow tree which nearly reached the roof, its open blossoms reminded one of the wild rose. A whole big bed of calendula grew near the back door way. Mrs. Grayshell was busy with floral exhibits at the fair so she

was not on hand to tell us about her garden.
