"I Want a Sandwich"

by FRANCES FIELDS

Oregon Wheat League
Lewis Building
Portland 4, Oregon

A very familiar cry in American families. At picnics, parties, mealtime... particularly during the summer months, sandwiches just fit the bill. There's economy, ease, versatility and good taste in sandwiches. Especially when the flour blend includes fine Oregon soft wheat. Sandwiches made from enriched bread are high in nutritive value, too, and are so easy to prepare.

FRENCH CREAM SANDWICH

3-ounce pkg. cream cheese
1/2 cup drained, crushed pineapple (8-ounce can)
6 slices enriched bread
1 egg beaten
1/2 cup milk
1/4 cup butter

Make sandwich filling by combining cream cheese and pineapple. Mix until creamy. Filling makes 3 sandwiches. Cut each sandwich in half diagonally. Combine egg, milk and oil in shallow dish. Dip each side of sandwich into egg mixture and brown quickly on both sides in butter. Makes 3 sandwiches.

Here's a real "whopper" that makes a meal—Champion Ham Sandwich Bake.

CHAMPION HAM SANDWICH BAKE

8 slices enriched bread
Butter
4 slices boiled ham
4 thick slices tomato
4 slices American cheese
1 1/2 cup condensed cream of mushroom soup
1/4 cup milk
Paprika

Butter bread. On 4 slices of bread place ham, then tomato and cheese. Cover with remaining 4 slices of bread. Cut sandwiches in half and place in a 9-inch baking pan. Combine soup with milk and mix thoroughly. Pour over sandwiches. Sprinkle with paprika. Bake in moderate oven (400°) 20 minutes. 4 servings.

Hot or cold, sandwiches are a summer menu mainstay. Particularly in August... Sandwich Time. Oregon wheats make breads and crackers that are far superior in taste and nutritional benefits... just right in every way.

CRIMINAL VANDALISM

The house of Nicky and Phyllis Bumgardner, out on the head of Box Canyon Creek, back of Vulcan Peak, is reported to not only have been maliciously smashed but many of the contents ruined. Recent visitors said windows are broken, some of the siding torn off, preserved food stuffs shot at and broken, and general vandalism. Nicky and Phyllis practically hewed the house, not a cabin but a house, out of the standing cedars in the vicinity and, with much labor, packed in the furnishings so they could live comfortably near their mining claims.
