Rogue Salmon Count Is Up

Salmon counted in Rogue River are 150 percent more than the parent runs, according to Cole Rivers, game commission fishery biologist at Grants Pass. Cole counted 27,491 Chinooks passing the counting boards at the Gold Ray station and although the count is not yet completed it has slackened off considerably and is looked to continue until the end of October.

This makes the third straight year the runs of Spring Chinook have been 150 percent or more of the parent runs from which they originated. Heavy game commission plantings of young Chinooks have helped maintaining the runs, according to Cole, and with the screening of irrigation ditches, upstream, further increases are looked for.

Perhaps the runs can never be brought back to the tremendous numbers of many years ago because of the destruction of spawning grounds but it seems reasonable to expect substantial increases over current runs.

Looking for a beautiful home on the ocean? ? ?

We have three listed and all of different types and prices. Seldom do we have these and in this growing community they just don't last long. Come in at your earliest convenience and let us show you these unsurpassed locations.

And this is not all. We have a wide selection of two and three b.r. homes to choose from. Drop in and we will gladly show you some of these on our new color slide projector. You will thrill to their beauty in these pictures and be able to select the ones you wish to see.

We have all priced homes from \$15,000.00 to \$20,000.00 so there is one for you somewhere among our listing files and it will be our pleasure to go over them with you.

A large home to move only a short distance to adjoining lot. This will make someone a fine home outside city limits. Can be had for total price of \$7,990 including large lot and on very, very good terms. This is a real deal for a large family.

Here it is. Just what you have been looking for. Seven acres on the Chetco River. 1400' of river frontage. One of the most beautiful places to build on that we have had the pleasure of listing. You just won't believe this but the total price is only \$3,000.00 and what terms!!! Be sure you ask about this one and quick. I'm going to get shot right in the foot with a sack of this if you buy this but I am really tempted believe me!!!

Remember we are always available evenings at 217 Spruce Drive, Woodland Park Addition. Phone 4712.
