HARBOR NEWS

Fall has really come as one can tell by the beginning of the bazaars and dinners being given by organizations to raise funds, and which are looked forward to eagerly by the people of this area. The first of the rummage sales is being given by the Rebekah Social Club at the Hurst Building this week end, September 28th and 29th. The VFW Auxiliary is giving a rummage sale at the VFW hall the latter part of October and the Altar Society is giving a bazaar and dinner at the Grange hall on October 27.

After the stories Max has had in the paper about the road across the mountains to O'Brien which now is made perilously by jeep, we find that a party of six Harborites made the trip over the Labor Day week end. Mr. and Mrs. Frank Kelly, Mr. and Mrs. Lyle Dill, Mrs. Marjorie Oberg and John VanPelt took two jeeps and two days for the trip, camping near Chetco Peak. To quote Mrs. Kelley, she would like to make the trip again but this time she would prefer to walk.

Archie McVay will probably be able to come home this week end from the Seaside hospital where he underwent an operation on his leg about a week ago.

Mr. and Mrs. Edwin Chapman spent Tuesday and Wednesday on a business trip which took them to Medford and Grants Pass.

Eugene Simpson spent the week end at the home of his parents, Mr. and Mrs. Earl Simpson. He enrolled at Oregon Technical Institute last week. Miss Janet Crump is also enrolled at OTI for her freshman year, and Raymond Reekman has returned there for the fall term to make up the term he lost last year due to his accident at Thanksgiving time.

Leslie Ray returned to his home in Coquille after spending the week end here.

Miss Helen Max has returned from Defiance, Ohio where she spent the past few months following a serious operation. She is at the home of her nephew, Robert Max, where she spent several months last year.

Mr. and Mrs. Amos Cole left for their home in Phoenix, Arizona after visiting for three days at the home of their cousins, Mr. and Mrs. Andrew Hoffeldt. They had been on a trip which took them to Glacier National Park and Vancouver, B. C.

Friends here are enjoying visiting with Mr. and Mrs. Thomas Carlson who came down from their new home in Aurora for a short visit at the home of their son and daughter-in-law, Mr. and Mrs. James Carson.

The West Coast Telephone Co. has had wires strung up the south bank road to a short ways and then up Stoller Lane, so that residents in that area will probably have telephone service soon. From all the talk about hunting in Eastern Oregon this week end, it would seem that about half of the local residents would be trekking to their favorite mule deer hunting grounds. Just so they don't shoot each other they will have a good time whether they bring home any meat or not.

CUBS TO MEET

There will be a Cub Scout Pack meeting at the VFW hall Friday evening September 28 at 7:45 and all Cub Scouts are urged to attend. Any boys between the ages of 10 and 16 are asked to come and register. Den Mothers are needed and any who wish to serve will be welcome or they may contact Wheeler or Vernon Hanscam.

Lesmeisters Plan World Series Trip

Mr. and Mrs. Pete J. Lesmeister are planning on attending the world series this year. Mr. Lesmeister, an ardent baseball fan, is almost an annual visitor to the classic. The only problem seems to be that it hasn't been determined as yet whether or not the world series will be played in Milwaukee his year, although local baseball experts assume so.

The Lesmeisters will leave Saturday by plane for St. Louis, where they will visit relatives and friends. They hope to see the final game of the season between Milwaukee and St. Louis while there. Then they will head for New York City.

The trip is a special one, in celebration of the Lesmeisters 31st wedding anniversary.

PLAN EXTENSION MEETING

The Brookings Unit of the Home Extension service will meet Wednesday October 3, at the home of Matilda Patin, 1236 Moore Lane (first street off Arnold Lane) The meeting will be an all day affair, starting at 10:00 a.m. The subject will be "Buying and Using Foam Rubber," and a pot lunch will be served.
