—because your present car is at its peak value right now. And because—with Buick so solidly set as America's No. 3 Best Seller—our bigger sales volume permits us to make you an even better trade-in allowance.

Bonanza Buy

Buick prices start right next to those of the smaller cars. But those Buick dollars buy you a whole of a lot more automobile—more room, more power thrill, more styling freshness, more ride stability, more solidity of structure—the Best Buick Yet.

Bonanza Resale

A Buick always resells high. But the '56 Buick will bring you even more money when you trade it because it carries today's new Variable Pitch Dynaflo.* It's the most advanced transmission yet developed—and the only one that breaks with the past to bring you the switch-pitch performance and gas savings of the modern plane's variable pitch propellers.

WITH Buick booming up in the No. 3 sales spot, we're set to rate your car at its peak trade-in worth right now.

With only two smaller cars outselling Buick—you can be sure we know how to make you happy on price.

And see how much more your dollars buy here...

—The fun of Variable Pitch Dynaflo* with its thrilling switch-pitch action. The might of Buick's big V8 engine.

—And the luxury of Buick's ride—a ride that knows no equal.

Why don't you come in today?

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

P.S. We have some especially good buys right now on the high-powered CENTURY and the extra-spacious SUPER. Better see 'em real soon!
