The Curry County Pomona Grange will meet at Harbor this Saturday, October 6, starting at 11 a.m. A pot luck dinner will be served at noon with the Lecturer's program following immediately afterwards. All Grangers are invited to attend the meeting.

Mrs. William Skopec drove down from Seattle the latter part of the week and is looking after their property here. Mr. and Mrs. Skopec went to Seattle last month to visit their son, and Mr. Skopec started working there so they plan to remain, at least for the winter.

Mr. and Mrs. Leo Moore arrived from Sacramento Friday and are visiting at the home of Mr. Moore's brother, Dr. Glen Moore for an indefinite time.

Mr. and Mrs. Fred Reiling and Mrs. Reiling's mother, Mrs. George Anderson left for Grants Pass Thursday after visiting relatives here and in Gold Beach for a short time.

Carroll Reekman of Gants Pass spent the week end here visiting at the home of his mother, Mrs. Milton Foster. He was one of the lucky hunters as he got a nice forked horn buck Sunday morning.

The Penny Carnival given by the Girl Scouts Friday night at the Grange hall attracted swarms of the small fry who had a glorious time playing all the games at a penny a time. The adults present enjoyed themselves also and a nice sum was cleared to go for uniforms and other things the scout troop needs.

Archie McVay was able to come home from Seaside hospital Friday and while the doctor told him to stay down as much as possible. That is hard for a man as busy as Archie always is to stay put for long.

H. School-College Relations Group

The High School-College Relations Committee of the Oregon State System of Higher Education will visit Brookings-Harbor High School October 11 at 8:00 a.m., Principal Eugene F. Allison has announced.

The visitation team will consist of a representative from the state institutions of higher education and a representative from Oregon Technical Institute. Executive Secretary of the committee is Francis Hickerson, who is headquartered with the State Board of Higher Education at Eugene.

An assembly has been called to explain general college preparation and requirements. Later sessions are held to discuss specific requirements of the different institutions. Parents and interested public are invited to attend the meeting.

This visitation is offered annually as a regular part of the guidance program carried on in the high schools to help students in the area of college and other post high school training.
