Try a Pilot Ad

Not an engineering impossibility, a cross country road to Highway 99.

An old timer in the drouth region was asked, "Doesn't it ever rain around here?"

The old man replied, "Son, do you remember the story in the Bible how it rained for forty days and forty nights?"

"Yes," said the newcomer, "but what has that got to do with us?"

"Well," said the early settler, "we got an inch and a quarter that time!."
