## Beverly Glass Wed At Baptist Church

On September 22 at the Baptist Community church in an impressive candle light ceremony vows were exchanged between Miss Beverly Glass, daughter of Mr. and Mrs. Ivan Glass of Brookings and Dennis Fadling, son of Mr. and Mrs. Luke Fadling of Brookings.

Rev. Walter Sadler officiated at the 7:30 p.m. double ring service. Mrs. Ralph Reed and Mrs. Stanley Patterson were organists with Mrs. Calvin Gorte, soloist, singing "Thine Alone" and "Oh Promise Me".

The bride was given in marriage by her father and wore a traditional gown of chantilly lace and tulle made with bridal point long sleeves and scalloped neckline. She wore a finger-tip veil cascading from a seed pearl crown and carried a bouquet of red roses.

Miss Joann Clendenin, friend of the bride, was maid of honor and wore a blue dotted nylon over taffeta dress and carried a nosegay of red roses and white carnations. Miss Janet Glass, sister of the bride was bridesmaid, and Miss Janet Bailey, a friend of the bride was bridesmaid also. The girls wore identical dresses of pink dotted nylon over taffeta and carried nosegays of carnations.

Nancy Hegge was flower girl and wore a blue dress similar to the maid of honor. Donnie Blankinship was ring bearer. Candlelighters were Rose Maries Bonde and Joyce Glass. Dick Fadling, brother of the groom was best man. Ushers were Dennis Pnettepced and Lloyd Western.

The bride's mother wore a tailored navy blue dress with red accessories and had a red rose corsage and the groom's mother wore a gray tailored dress with red accessories, and had a variegated carnation corsage. A reception was held after the ceremony in the church basement.

The wedding cake was a white four tiered cake with traditional bride and groom on top. The cake was cut by Mrs. Gunnar Larson, aunt of the bride. Also helping serve were Mrs. Gunnar Blankinship and Mrs. Andrew Blankinship, aunts of the groom and Mrs. Kay O'Molleran and Miss Charlotte Jensen were in charge of the gifts and Sandra Glass was in charge of the guest book.

For going away the bride wore a brown dress and beige duster. Mrs. Fadling attended Brookings Harbor high school and was a graduate of the class of '33.

The groom, also a graduate of Brookings Harbor high school, was in the class of '33. He was married in 1954 and has two children, a son and a daughter, both two years old.

## First Fall Meeting Of Home Extension Held Wednesday

The first Fall meeting of the Brookings Home Extension Unit was held last Wednesday when Mrs. Sylvia Lee, county extension agent, gave a very interesting demonstration of the use of sponge and foam rubber products.

The November Workshop will be a two day affair on November 7 and the 9, both meetings at the home of Mrs. Bud Lowe, Harbor and will have to do with the embossing of thin metals. The project leaders will be Mrs. Lowe and Mrs. Pearl Faeson. A picture in sheet copper will be made. The Wednesday meeting will be instructive when those interested will decide whether they want to continue with the work to be done at the Friday gathering.

## Brookings Items

Mr. and Mrs. Archie Hendrick and Mr. and Mrs. Art Faeson on Sunday for a week's vacation on the Metolius River in Central Oregon.

The Home Economic club of the Chetco Grange will meet Friday, at the Grange hall at 2 p.m. Mrs. Marjorie Moore and Mrs. Est. Ravekes will be hostesses.

Mr. and Mrs. Al Williams were about town this week, and there is a rumor that their bakery, recently vacated by the G.C. Young's may be re-opened soon. The Williams are visiting their son, Bob and family at Smith River, from their home in Portland.

Mrs. Myrtle Schaal was operated on, in an emergency, at Seaside hospital, Crescent City, Tuesday noon.

Oliver Guillian, who was seriously injured in a logging accident, recently, has been moved to a San Francisco hospital.

Three hundred individually wrapped gifts have been prepared and sent over to the Camp White Domiciliary by the local ladies of the VFW Auxiliary. This has been an annual project for many years.

The Brookings-Harbor Walking Blood Bank was again called upon for donors of whole blood Tuesday. Les and Bob Dimmick contributed to their brother, Roy, recovering from traffic injuries and Bob Rettke donated a pint to Mrs. Kenneth Vekey. The transfusions took place at Seaside hospital, Crescent City.

While visiting his brother, Calvin and family at Grants Pass, over the week end, Airman Gordon L. Foster and wife, Audrey, visited the House of Mystery and the Old Oregon Museum at Jacksonville. Audrey found the museum very interesting as it is her first trip to the United States from her former home in England.

Teddy Loring, Bruce Ellison and Dick Fadling made a hurried entry into the U. S. Airforce. Accompanied by Gay Weaver, the young men set out to join up in Portland. Gary was deferred but the other three were accepted, sworn in about noon time and that evening were emplaned for Lackland Air Force Base, San Antonio, Texas. Ted's address: AF19

## 3000 Cards on File At Blood Bank

Following the recent free blood typing of all who applied, the new list and that of the initial typing, three years ago, are being co-ordinated and brought up to date. This has called for the elimination of names of people no longer available, adding names of young people now reached donor age, the correction of addresses and addition of telephone numbers.

Some 3,000 3x5 cards have been filled out as a master file. The next step will be for the segregation of these cards by available donor classifications. When this is done, master lists will be typed and these lists filed with those who may have immediate use for same. It is expected the new list should contain several hundred available donors.

565-609, Flight 1171, P.O. Box 115, Lackland A. F. Base, San Antonio, Texas.

## Now you Know!

The answers of everyday insurance problems \*  
By Charlie Grayshel

R. N. writes . . .  
**QUESTION:** Will Fire insurance pay for damage from heat to the outside of an electrical appliance even though the fire never actually comes in contact with the appliance?

**ANSWER:** Yes, heat damage to non-combustible objects is covered.

\* If you'll address your own insurance questions to this office, we'll try to give you the correct answers and there will be no obligation of any kind.

**A Few Reasons for Re-electing**

**Geo. W. Sutton**  
for  
**Assessor, Curry County**

He was nominated by both the Republican and Democratic parties at the regular Primary election.

He has been instrumental in getting the Tax Commission reappraisal and equalization program for Curry County underway.

His experience in the assessor's office has ranged through the depression values of the early 1930's to the prosperous values of today.

He has been successful in fixing and maintaining fair and equalized taxable values of all classes of property. His office has kept abreast of all advances in appraisal methods, practices and regulations.

His knowledge of county business, county records and county affairs is invaluable. His conscientious and economical conduct of his office is praiseworthy.

His ability in cruising timber, surveying and mapping is of great and necessary importance to this office.

**He is Worth Keeping on the Job**
